Hi Doug,

Thanks for inquiring about the Dibner Library. I'm happy to report that the Dibner is still here and still open to researchers. We've been closed to the public since March 16th, but we've been busy behind the scenes. We've been working on a number of projects, including digitizing some of our collections. We've also been working on a number of projects, including digitizing some of our collections. We've also been working on a number of projects, including digitizing some of our collections. John Ryan finds peace and quiet in the comfort of the library.

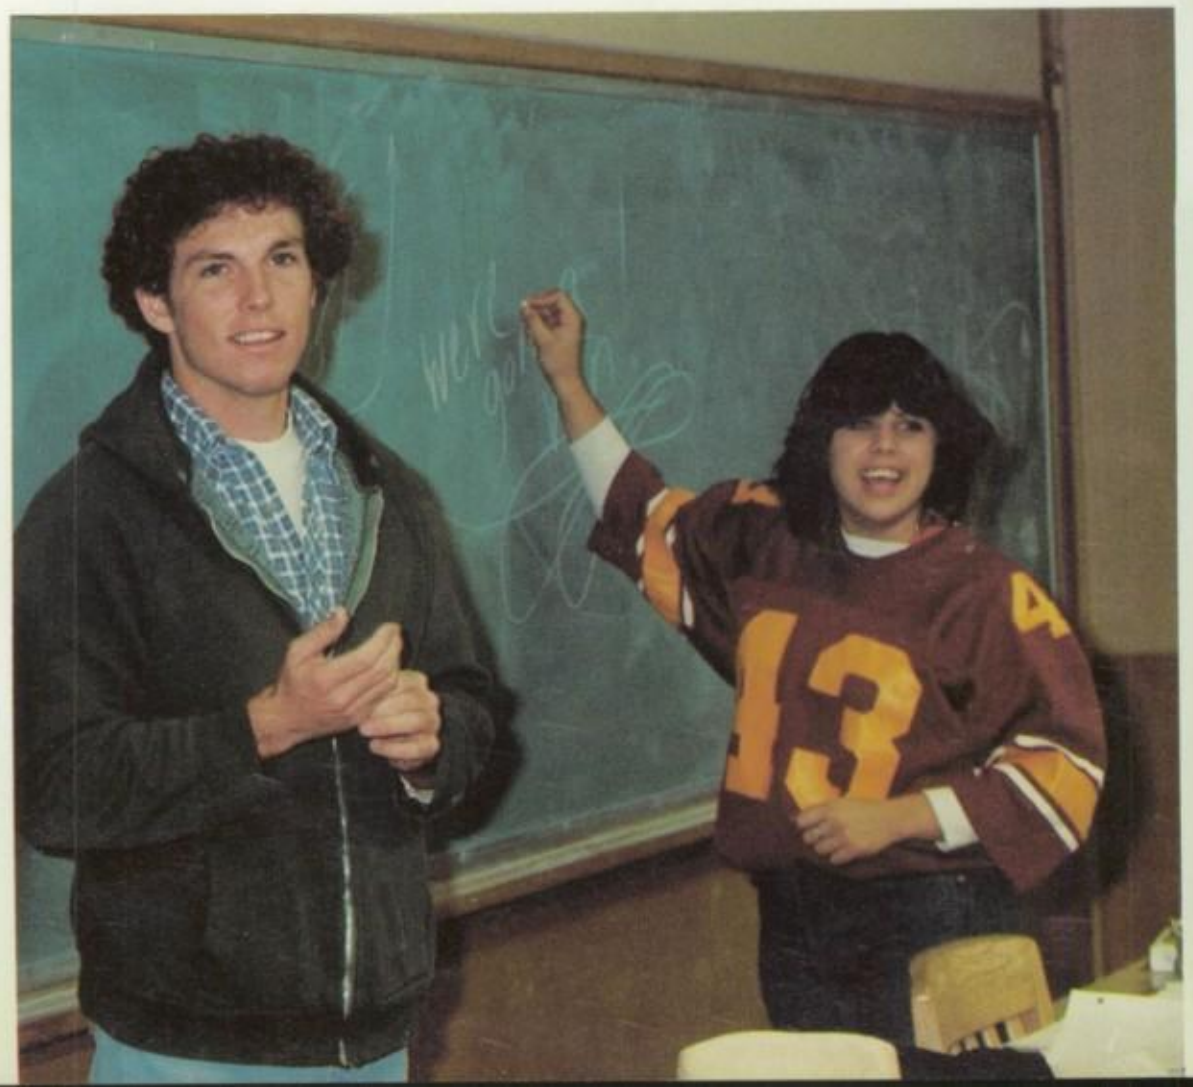
What does a group of 1200 people of all ages, races, shapes and sizes have in common? Class! Dictionary definition: a standard of excellence; our definition: Alemany High School. When the efforts and success of every person are combined, a "standard of excellence" is set. This standard of excellence is found not only in the classroom, football field, gym or Father Albert Hall, but everywhere around campus. We are no longer satisfied with the things that are easily accomplished. Instead we keep striving for that little bit extra where we attain a sense of pride, and if something shatters that pride, we strive even harder not only to gain it back, but to increase it. How do we attain this pride? When we console the defeated and congratulate the victor, when we participate in activities or help organize them to be more than successful, when we study extra hard to attain that better grade, or help a friend so that he can do so, when we enjoy our accomplishments and accept our mistakes, or when we put together a book, and call it **"Recuerdos"** within which we share our memories, our growth, and our pride with a "Touch of Class."

The Johnson girls secretly whisper their Christmas wishes to Santa.

Coach Conner and Lisa Mateus psych up the Seniors before the big game.



A group of Sophomore girls put on their own halftime show at the Crespi game.

The AHS marching band prepares for the start of another rally.

Have you ever had the feeling of being boxed in? Wonders Lisa Hermsen.

. . . Starts Off The Year With A Touch Of Class

Jerry and Art show new cheering abilities at the powder puff game.

Julie enjoys an interesting conversation with Myrna the worm.

Mike and Jay enjoy victory after the big pie eating contest.

A trio of freshmen involved in a serious conversation about girls.

Catching up with the latest gossip is Terri Morris and friend.

Kellie and Mike enjoy their lunch in the sun.

Freshman Dora Barba surprised by the tardy bell.

Little does Brian know that Dale is clowning around again.

Sue, Debbie and Mike eat their lunch on the Sophomore lawn.

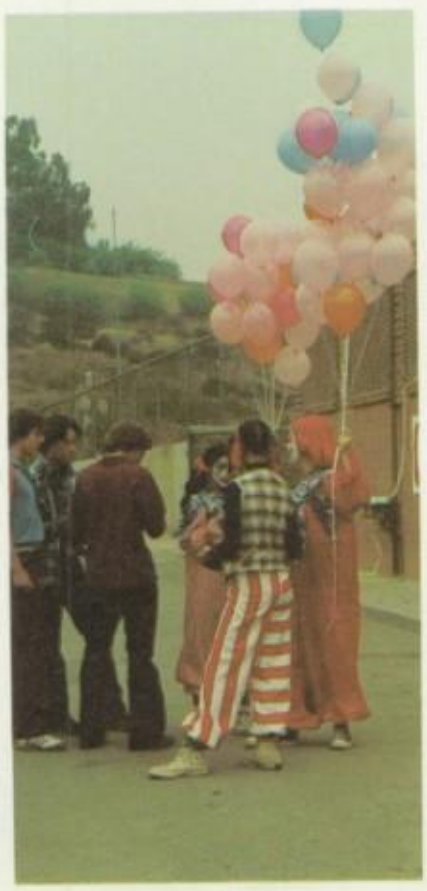
April Sullivan and Stella Prendez demonstrate proper uniform code.

Spirit Week

"Clowning around" Mari Johnson and Maria Diederich still maintain their close friendship.

Teachers went back to their high school years while doing their skit on Celebraton Day.

Mary Parvin puffing along during the Jog-a-Thon.



Clowns sell balloons for the Sophomore class on Circus Day.

Mike Garcia and Jay Hagar got a little messy during the pie eating contest.

Cheerleaders and Alumni show their spirit at the Homecoming rally.

. . . Spirit Soared Sky High

Julie Gerlock hurries to the top of the pyramid to show her spirit for the O.T.W. CLUB.

"We've got spirit; yes we do!" Teachers and students kicked off school spirit, involvement, and excitement for the 1979-80 school year by dressing up as Hula dancers, Nerds and nerdettes, Clowns and Ringmasters during Spirit Week, showing everyone that we really have spirit at Alemany.

Monday, Oct. 15- Celebration Day and Hawaii Day, Jog-A-Thon, Teachers Skit.
Tuesday, Oct. 16- Nerd Day
Wednesday, Oct. 17- Circus Day, Club Competition.
Thursday, Oct. 18- Class Color Day, Homecoming Rally.
Friday, Oct. 19- Semi-Formal Day, Homecoming Game.

Vinnie Callier takes a long rest after running in the Jog-a-Thon.

The "Big" Game

Alemany's 1979 Homecoming half-time show produced a "Grand Illusion". The activities began with the parade of class floats, each one showing the creativity and imagination of it's designers. A real fire engine, presented by the Junior class, won first place in the competition. Following the floats came the 1979 Homecoming Court and as each princess was slowly led up to the stage, (after taking on the ankle-deep sideline mud); the big moment arrived. Father Blaire proudly announced Wanda Negrete as the Homecoming Queen and Debbie Mena, '78 Queen, returned to crown her. The band and drill team added the finishing touches to this memorable half-time show. Our team lost the game against Saint Francis, with a score of 29-3, but we won memories that will last for a long time.

1979 Homecoming Court; Peggy Brix, Laura Lynch, Monica Doody, Queen Wanda Negrete, '78 Queen, Debbie Mena, Michelle Mosby, and their fathers.

The sophomore class shows its "IN-JUN" spirit.

Hard work and some "Jolly" jrs. won 1st. place.

After a disappointing Homecoming loss, the team stands for the Alma Mater.

Was Only Part Of . . .

The crowd, bundled against the cold, awaited the arrival of the half-time show.

Mrs. Lynch, a "true" Indian fan, looks on as the court takes their places.

"SENIORS, ALRIGHT!" shouted the class of 1980.

Homecoming '79

"No rain!" For the past two years, rain has plagued the Homecoming dance, and this year did not appear to be any different, as a slow drizzle fell at the Homecoming football game and continued well into the afternoon of Saturday, October 20, the "Big Day."

But-Lo and Behold! As afternoon turned into night, the skies cleared, and so did a lot of worried minds!

Even the rain could not have dampened the spirits of those inside, though. Beautiful decorations, highlighted by curtains encircling the dance floor, masterfully carried out "The Grand Illusion" theme. For many, it seemed hard to believe that this was the same gym they saw on Friday.

Formal pictures were taken by Alfred and Fabris, and met with happy approval when they arrived at school two weeks later.

"Messages," the same band that played at last year's Prom, provided the music for this evening-which was one to be enjoyed and remembered.

Friends, beautiful decorations, and a great band-what more could you ask for?

Jimmy and Susan find their own little corner to dance in.

Robert Palazzollo, ready and armed to protect Joan Oliver from-what rain?

The Homecoming Court and their escorts dance to Messages' version of "Evergreen."

George, I can't even start to write about all the fun times we've had! You're one hell of a person and a great friend. You were always there to cheer me up. Am "so" glad we had alot of classes this year cuz I really was able to get to know you better. You better not disapear from the face of the earth cuz I'll kill you. I really hope we can keep in touch and go out to lunch sometime. You best call me "Soon"! Sorry I can't finish all I have to say but SomeONE is rushing me. Good Luck always with school especially with Becky. Take Care

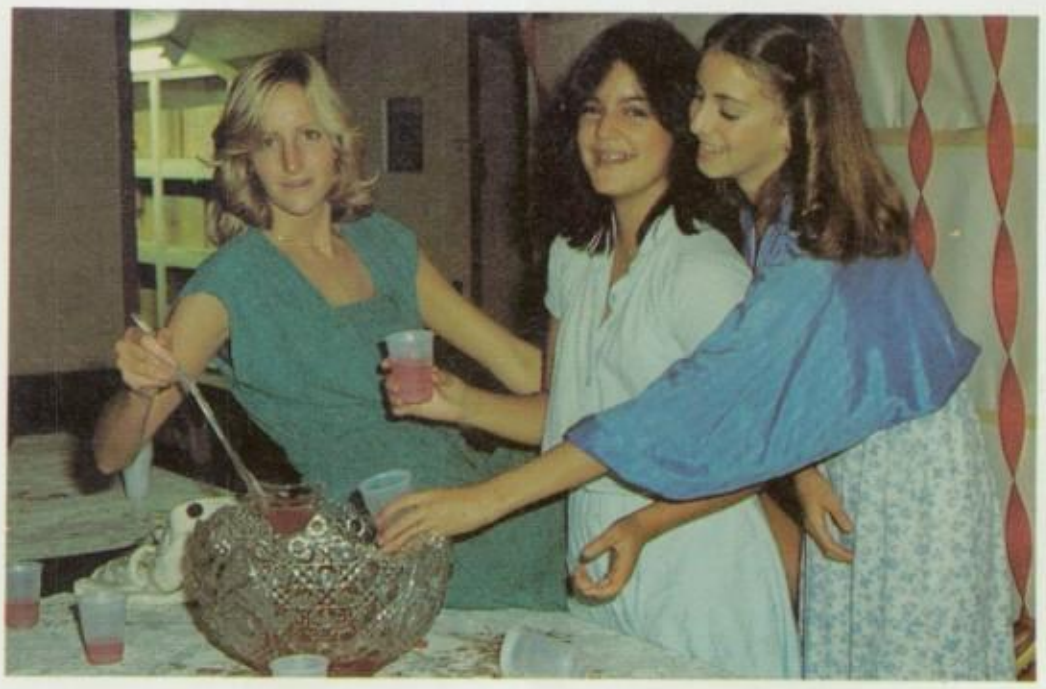
Chaperoning can be fun-just ask Mr. Kinkella.



Mary Engelhart, Teresa Aranda, and Leslie Feezor believe in service with a smile.

Cheerleaders Rally Up Spirit!

"The Seniors won the spirit stick? Good joke!" No, it wasn't any joke-the seniors actually won the spirit stick! The Indians finally went on the rampage this year and showed their spirit. Never before has the gym vibrated with screaming kids yelling for their school the way it did this year. The cheerleaders worked many long hours perfecting their routines, making signs, and cheering at games to help build up school spirit, and it worked! Many students and faculty were astounded at the sudden surge of involvement that the student body demonstrated. Rallies were not only an expression of student enthusiasm but successfully motivated higher attendance at all games.

Gayle DeCampos joins in the Alma Mater.

"Go for it! Go for it!" the devils chant on Brigid Sasal.

The Mighty Indians stampede through the sign ready for another attack.

After another fine performance, the twirlers take a well deserved bow.

Backwards

Melinda Endaya crowns "King" Louis Torres.

Kathy Chaney shows Dave the "Latest Step."

It's 9:30 P.M., and all attention is focused on the stage as Junior Class President, Diane Raheb, announces the Penny Princes: Senior Louis Torres, Junior Mike Manning, Sophomore Jay Johnson, and Freshman John Daniels.

"And the winner is-Louis Torres!"

Soon, everyone is dancing again, at "An Old Fashioned Christmas," sponsored by the Junior class. The mood was festive, the atmosphere jolly, as Santa wandered through the crowd, passing out candy canes, with the smell of fresh Christmas trees pervading the air.

A beautiful backdrop complimented the decorations, which included a tasteful combination of decorative lighting interspersed among the multitude of Christmas trees.

Over 120 couples filled the dance floor, as "Brass Knuckles" filled the gym with some great music, on this not to be forgotten night of December 22.

Prince John Daniels

Wendy Mena and Bobby Inez are all smiles.

Students enjoying a soft melody in the midst of "An Old Fashioned Christmas."

Guadalupe Day

A joyous celebration and Mass marked the feast of Our Lady of Guadalupe on December 12. After Mass was celebrated, the Royalty for the day was crowned. Seniors Oscar Sanchez and Ana Martinez were King and Queen for this day of celebration, while George Espinoza and Aida Gonzales were the Prince and Princess.

The festivities included traditional dancers and ceremonies, not to mention the candy-filled piñata. It was indeed a day of color, joy, and celebration.

Traditional costumes are displayed in a ceremony in front of the gym.

Looks of anxiety cross students' faces as Kathy Chaney swings at the pinata.

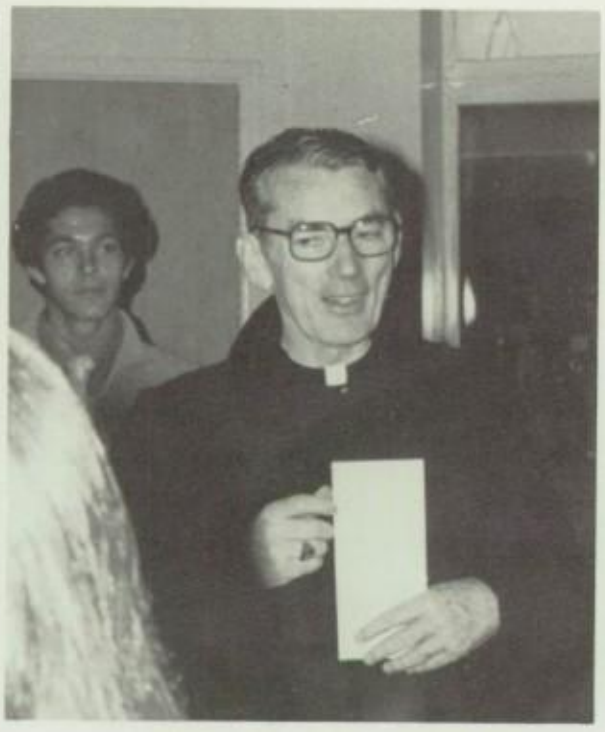
Cardinal Manning



Cardinal Manning accepts mission money from this year's very successful drive.

A student continues the tradition of kissing the Cardinal's ring.

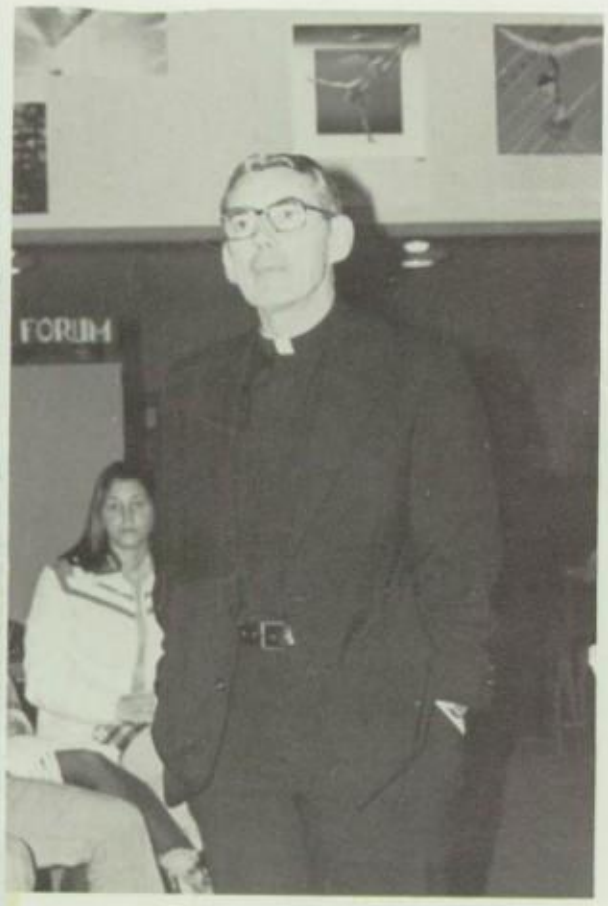
"He's here! He's here!"

It was on the morning of one very wet February 15. The scene - a flooded quad, the entire band squeezed under one overhang, and a very official-looking black car pulling into the driveway.

The event- His Eminence Timothy Cardinal Manning's first visit to our campus.

A group of wet but eager seniors met with the Cardinal in the library, and then joined the rest of students in the gym for Mass. The Mass, celebrated by the Cardinal, was one of the most solemn and beautiful experiences ever shared by the entire student body.

Visits The Cardinal And Gold



His Eminence leaves the seniors with thoughts to ponder.

Fr. Blaire and the Cardinal converse with Mrs. Rogers, Sister Una, and Mrs. Marin.

Jr-Sr Retreats

Father Coyne's group uses the scientific method with this one.

Deedee Deegan showing the "other side" of things.

Greg and Marilou: role playing or for real?

"Robert...Robert! The bus driver doesn't look like that!"

"Hurry up, Louie! Take the picture!

I remember leaving school that Tuesday night, filled with feelings of anticipation, hope, and excitement. Thoughts of school disappeared as we piled sleeping bags and suitcases into the crowded bus. Singing and talking made the trip seem so short. The next two days were a blur of group discussions, football games, masses, and quiet reflections alone; so much sharing and caring. Finally the last day, looking back at the pillow fights, and dorm raids, laughing and crying, learning and loving. Saying good-bye to Father ("Mr.") Bill and the others as we left with closer friends and many happy memories.

A Spiritual High

Colleen and Chris into a deep conversation about retreat experiences.

"Playtime's over!" Time for some "serious" business.

Students Take Over The School . . .

Good morning this is your principal Chuck Eichten. Will Laura Lynch, the dean of girls, please report to the studies office, and would Maureen Sutherland, head custodian, please report to the main office. Thank you. Please stand for pledge.

No, nothing has happened to Fr. Blair, and no the students aren't taking over the school. It's Student Government Day!! What's Student Government Day? Student Government Day is a day when students take over the administrators and teachers jobs to experience for themselves how difficult it is to run a school.

Pretending to be secretary, Monica Doody does her best.

Fr. McCabe "kicks back" while one of his students teaches the class.

Students Skate For Fun

Overcrowded was the situation at Northridge Skateland when Alemany hosted their skating nights. Many happy and energetic students filled the arena to enjoy a night of skating. For some it was their first time on wheels, while for others it was like second nature. Whether or not you were a rookie or a veteran on skates, pretty much everyone met the wooden floor at one time; it was a good time for all.

Trying to impress Claudia, hotdog Mike knocks them both down.

Joanne Pickwood rocks out to the beat.

Many students enjoyed the two-hour long skate.

"Couples Only" was a good way for Aaron Stipkovich and Mary Zerinque to renew their friendship.

Car Rallies

"Hey guys!" yells Janice Englehart.

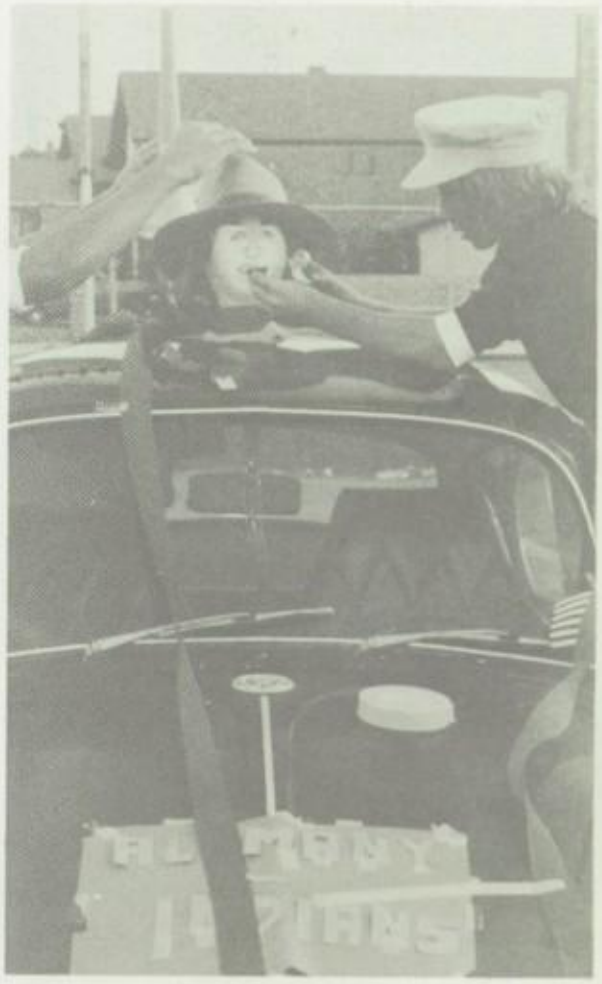
Tricia Connor displaying some of the finer points of car decorating.

When can you string red and gold streamers on your car, write "Alemany" on your window, honk your horn for 3 miles straight, and get squirted with a fire extinguisher?

At an Alemany car rally, of course!

There were two car rallies this year, and although the first did have a bigger turnout, both were alot of fun and certainly boosted the spirit at the football games against St. Gen's and Crespi.

Students meticulously decorated their cars for about an hour, and then the cry was heard. "O.K., let's GO!" And the cars were off- visible proof that at Alemany, "We've got spirit!"



Mike Woll and "friend" aren't about to be "out-decorated!"

The finished product-it's a "Spiritmobile!"

Faculty

Administration

Once upon a time there was a little community of people who worked together to gain knowledge, peace, justice and love. It would seem that this is some task for such a small group, but their goals were accomplished. The secret was all in their leadership, for their top leader was Fr. Stephen Blaire, and his determination overcame all obstacles. Yet he could not reach success on his own, for the task was much too difficult. Therefore he obtained many fine leaders to help him. His first assistant was Sr. Theresa Eberst, who had similar responsibilities to those which he bore. Next was Mr. Bob Gebauer who handled everyone's schedule problems and his fine helper, Mrs. Rita Parven. And there was Mr. Frank Cantu and Mrs. Maureen Vaccarro to assure the discipline that was so necessary if the group's goals were to be reached. There was even Mr. John Kinkella to direct all of the special activities of the little community. Together with the help of many excellent teachers, students and parents, these leaders guided the community to a greater understanding of peace, knowledge and the love of God.

English

Now here is a subject that must be taken very seriously, for it involves our ability to communicate with the world around us. The students at Alemany High School are fortunate to have English teachers that keep them on the right track to reach this goal. Mr. Tom McClanahan is a fine example. On a quiet day you can hear him share a few of the following words of wisdom, "Laugh at my mommy mommy jokes you baffoons or I'll give you double homework." And don't forget Mr. Jim Walker who proudly demonstrates to his students twenty different ways to make a peanut butter and jelly sandwich. But there's more too; Mrs. Caroline Wheeler has this friend named George who has a long tail, little wings and hangs from a chalkboard and Miss Carol Laderer boasts of her personalized license plate that says "Alemany." And what about Mrs. Jacqueline Reibsaman who can be found jumping and cheering at every single wrestling match and Miss Brenda Horton who never wears the same clothes twice. But Mrs. Edwina Lynch, head of the English Department, tops them all with her famous humorous line, "This assignment on Haskell's role won't take you long." Yes, the teachers of the English Department are pretty serious but that is why their students like them so well.

Fine Arts

The fine arts department is one that does not need an introduction for its fine reputation of professional quality tells the whole story. Mr. Ray Cavaleri is one of the fine arts teachers. With his help, students become fine actors and actresses in very entertaining performances every year. But these plays would not be the same without the magical touch of Mr. Ed Archer's musical talent and the students he teaches. Miss Sheila Taylor is another of the department's teachers and her abilities range from art to ceramics, both beginning and advanced. There is a new fine arts teacher too this year. His name is Mr. Bill Donlan. Although he teaches three religion classes, he is probably known most for getting the marching band an excellent reputation in only a few months time. It is these teachers that are responsible for the so many talented students in this area of academics.

The Future

Career Night

To many the future is dark and mysterious; So many jobs available and different variations to think about. In order to open a few doors for Alemany students, Brother Lucus organized a career night.

On the night of February 24, many informative speakers from a wide variety of careers in everything from Carpentry to Law were available to talk to interested students. A good number of these speakers were the mothers and fathers of Alemany students willing to enlighten anyone interested in his or her particular field.

Where Am I Going?

As the decision time approaches, Louie Gibilisco begins to worry.

This is the phrase that so many Seniors begin to use before they've even completed their final year of high school. But, with the help of Mrs. Penny Young, these Seniors with no direction begin to visualize where they are going. Directors and counselors from universities all over California visit Alemany's Seniors to inform them of the vast selection of degrees and activities offered by their universities. Some of these were California State University of Northridge, Loyola Marymount, California Lutheran College, and the University of Southern California.

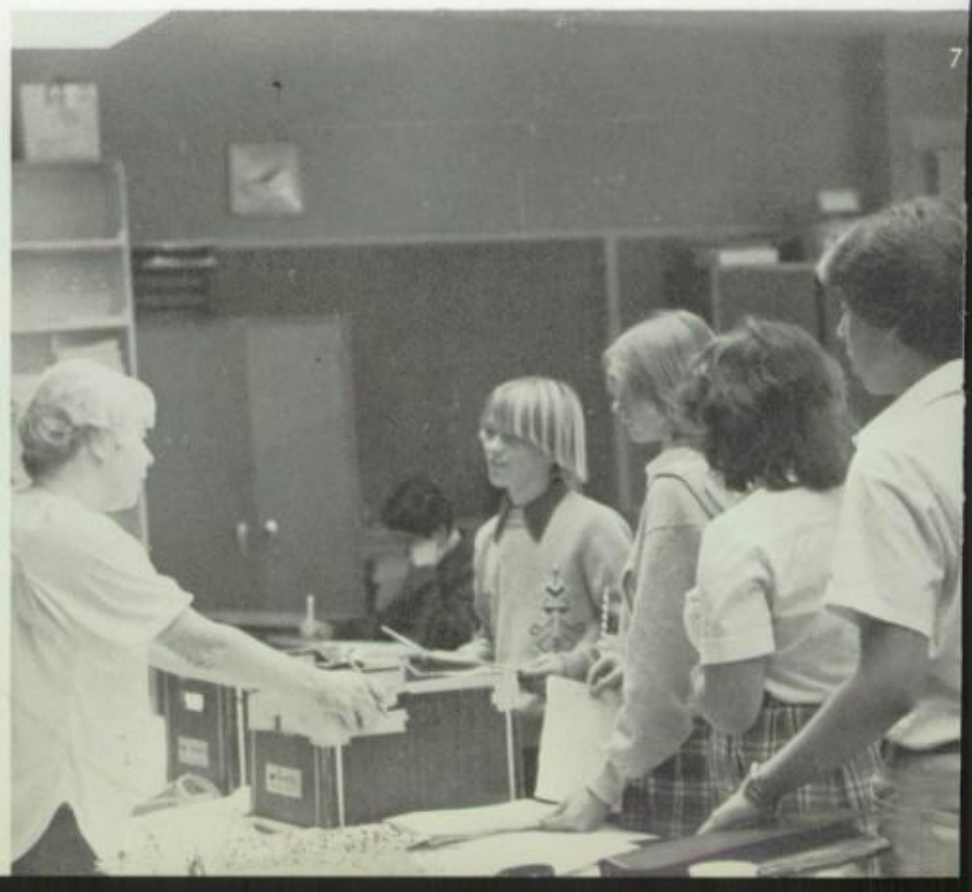
Scholastic Activities

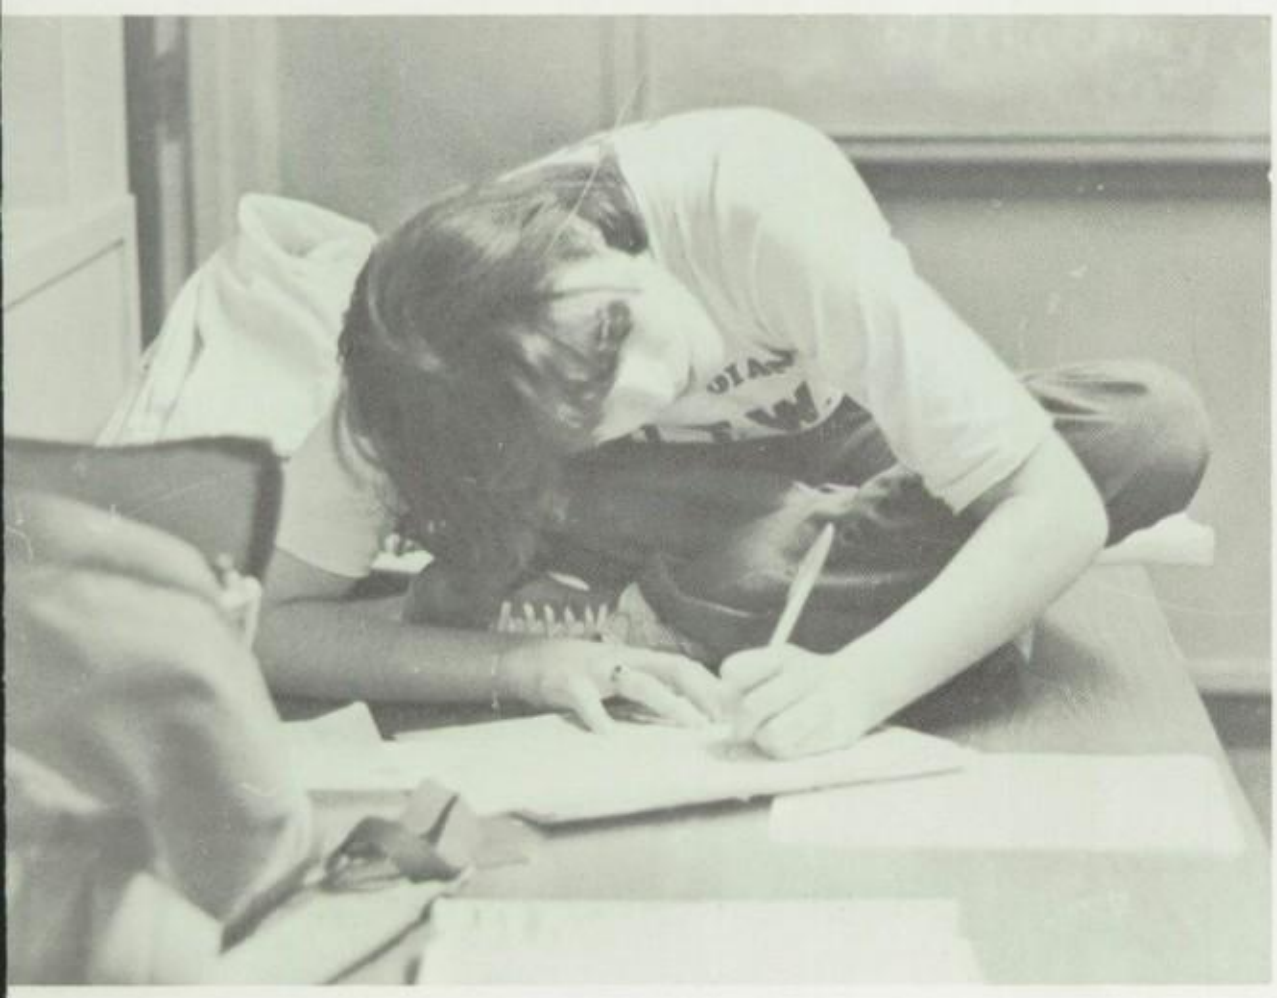
What comes to mind when the word academics is mentioned? Books, studying, and homework? Sure, but academics is not all hard work and hitting the books. Although a certain amount of this is required, there are many projects assigned that can be a lot of fun, as well as a learning experience.

Things such as field trips, and chemistry and biology labs seemed to break up the monotony of school. Projects such as participating in a "mock trial" in Youth and Law and "getting married" in Christian Marriage were an added attraction that were enjoyed by all.

A unique quality of Alemany's academic program is that it ranged from remedial classes to advanced placement. With the new ideas teachers have in presenting their material, this gives new life to general mediocre classes.

Coping with his handicap, Louie Gibilisco finds it more comfortable on the floor.





Diane Raheb finds a comfortable way to begin her homework.

Varsity Football: Never Say Die

This season might not go down in the record books as a winning season, but it would go down in a record book for the most inspirational team in football. Although the team was plagued by injuries throughout the season, they never stopped trying. Their spirit and determination showed, as heart and soul went into each and every game. The crowd stood by their team every game, never giving up. Together the team and fans made what could have been a disapointing season into one of the most spirited and inspirational.

Alemany recovers a fumble.

Our defense at it's best.

Maybe 0-10 but not defeated, this year's Alemany J.V. football team had dedication unsurpassed. Dedication that began with summer practices and stayed high through out the season.

This same dedication kept them giving their all, filled the bleachers with fans who came to see their friends, sons, their Alemany football team play one of America's number one sports.

The team might be small but their hearts are big. Their weight might be low but they've got guts. The guts to take defeat, snap back and do what they always do, play very good football.

Under Mr. Franklin and the other enthusiastic coaches Mr. Rooney, Mr. Cantu and Mr. Routolo they practiced all summer long and throughout the season to improve their mental as well as their physical skills.

True Consistency

Although the Freshman Football Team's record is not the best in Alemany's history, the season's scores indicate that the team can compete in the Del-Rey League. Head-coach, Mr. Cantu, feels that "the only thing that cost them this year was inexperience." Making up the team are 44 good sized freshmen. As a whole, the team's size is big for Alemany, but is still no comparison to the other teams' sizes, which average over 65 players.

The team's overwhelming spirit carried into the stands, where the support was better than ever before. The three night games attracted large crowds which were impressed by the unity and attitude of the team. Coaches Mr. Cantu, Mr. Mayberry, Mr. Diaz, and Mr. Ron Routolo think that there is a "definite future for Alemany" with this team.

Varsity Cross Country "Unbelieveable"

TOP ROW: Coach Duffy, C. Sanchez, D. Campa, L. Torres, B. Lizarraga BOTTOM: C. Bennet, C. Dementz, C. Avila.

When asked about this year's cross-country team, coach Duffy replied, "I feel we can take league finals and possibly the CIF championship." It was tough going up two divisions to the Del Rey league, but the team took it as a challenge. Notre Dame, Crespi and Loyola went down for the count and league finals were clinched by our undefeated Harriers. After taking sixth place in CIF, the team continued on to San Francisco to run in the National Regionals where the top runners from nine different states competed.

With a league championship, two invitational championships, and other outstanding performances, the teams' season was one to be proud of. "And that they were!"

Way ahead of the pack, Luis strides eagerly down the hill.

After another easy race, the Chaz nears the finishline.

With one mile down and two to go, Dave Campa pushes the pace.

With only a half mile to go, Charlie moves on.

At the sound of the gun, the Harriers take off to a good start.

A little insurance prayer before the race.

"I had just reached the mile mark and was really feeling the effects of my 101 degree temperature. But I had to beat Crespi no matter how bad I felt, I couldn't let the team down."

All nerves leave as the awaited moment arrives; the start.

Charlie Bennet reaches for the stick at the finish.

At the sight of the finish line, Craig looks pleased.

Bobby pushes to catch up with the lead.

A couple of Injun Harriers, just takin' it easy.

As dawn arrives, our runners show true dedication still movin' on.

Frosh-Soph Prove Promising

What do "very promising, exceptionally talented and unified" have in common? These were all words used by the Varsity members to describe the Frosh-Soph Cross Country team. Their undefeated dual meet season led to an easily captured Del Rey League Championship. The Sophomores won the biggest invitational in the state, Mount Sac. They also combined with the Freshmen to win the local Northridge meet. Helping capture many invitational titles were Steve Delgado, Conference Champ, and Damien Curry, both outstanding first year harriers. Many Freshmen also proved impressive throughout the season. A combined effort among team members led to a very successful season.

Taking the lead at the beginning of the race, Alemany shows who's best.

Leading at the mile mark, Dave Stafford and Steve Delgado.

During league finals, Victor Casteneda, shows a look of determination.

Showing his perserverance, Damien Curry exhibits his abilities.

Alemany ambushes No. 1-rated Crespi

On this year's Alemany varsity Basketball team talent comes in all sizes from James Fontenette who plays center at 6'6" all the way down to our guard Ray Searcello at 5'8". But this year size didn't matter much; talent was everywhere. Good ball handling and straight shooting abounded on every inch of the court.

Crowded stands and screaming fans were not an unusual sight at any game during this winning season. Great support from our student body helped make the games more exciting and really gave the players the drive to give it their all.

J.V. Basketball

They were off to a great start! Yes, the Alemany Boys J.V. Basketball team led by such players as John Ryan, Bob Shea, Ken Zaucha, and Frank Duda started the season with spirit. The fans witnessed some pretty exciting wins such as the Notre Dame game where the Indians were victorious after going into triple overtime. In the L.A. Baptist Tournament, their wins enabled the team to come home with first place trophies. Although they didn't finish the season with a winning record, they were not easily discouraged and still went into every game with enthusiasm.

Varsity Soccer, A Change Of Pace

Although this years team had an average record of 6-10-5, their season showed a change of pace. Being in the toughest league in the "AAA" division, the team took 5th place and produced 5 all league players. Perhaps the team had more potential than it showed, but nevertheless, they challenged some of the toughest teams in southern California. They ran through the usual problem of rain, injuries and ref's, however with the help of alumni assistant coach Cruz Hernandez, the team pulled through. Thus the team had new surroundings and experienced a season that can only be put as, "A Change Of Pace."

J.V.'s Do It Again

League championships seem like a piece of cake for our J.V. soccer teams, even in the prestigious Del Rey league. This year the J.V. team found itself opposing perhaps the toughest line-up of teams in it's history. So what did they do about it? They completed a 16-5-1 season, that's what they did.

Varsity Wrestling

Once again the Varsity Wrestling team proved to be one of the top teams in the valley. Although we lost to San Fernando and El Camino we were never outwrestled. Wrestling with six different Freshmen at one time or another and never having a complete team were constant problems throughout the season. This situation gave the Alemany Matmen a deficit very difficult to overcome. Yet, the wrestling team pulled off an impressive duel meet record, 12-7. This years team boasted three Seniors, all with more than 20 wins. James Cortes, who broke almost all the school records, Dave Yamani, Mike Garcia and Juniors Kevin Whiteford and Robert McSweeney were a constant threat to opposing wrestlers.

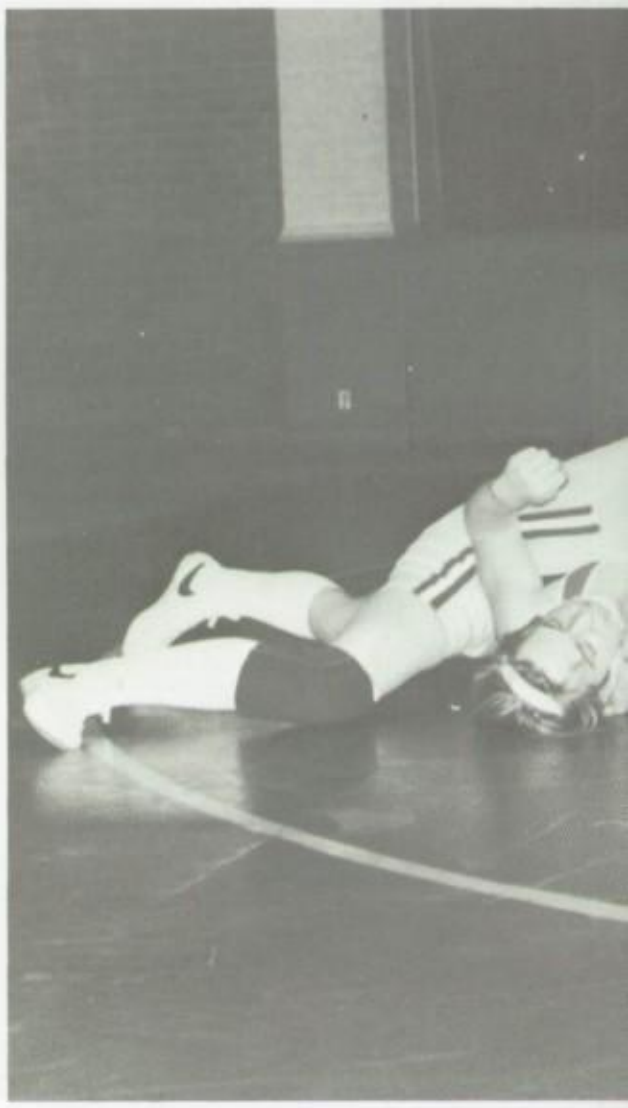
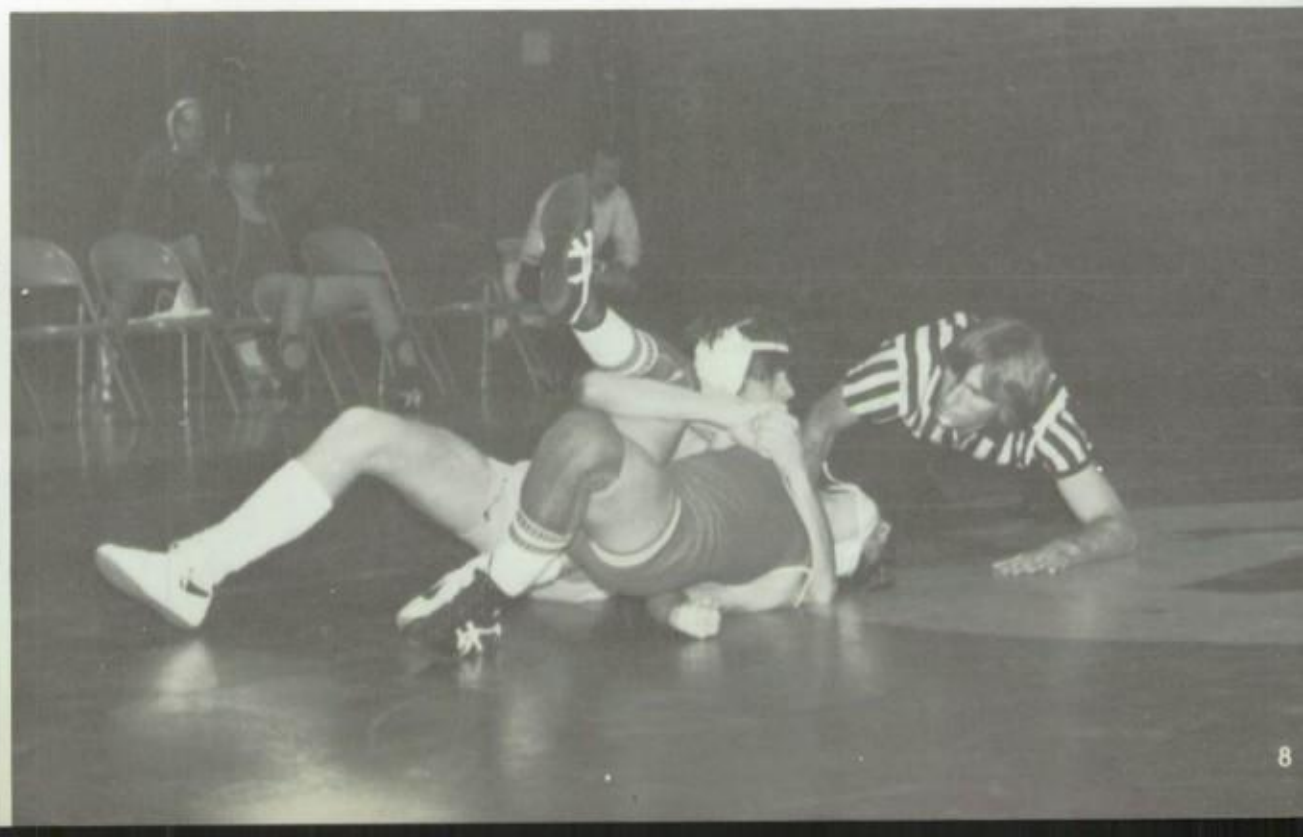
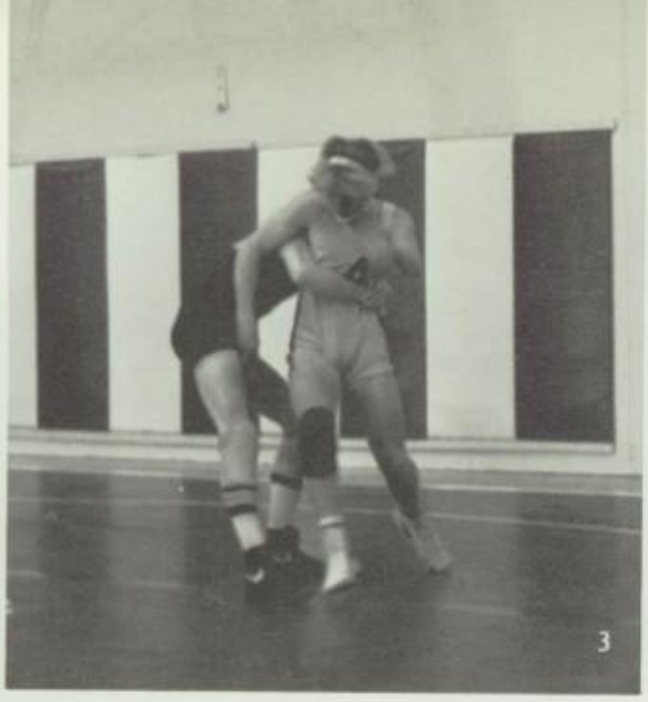
J.V. Wrestling

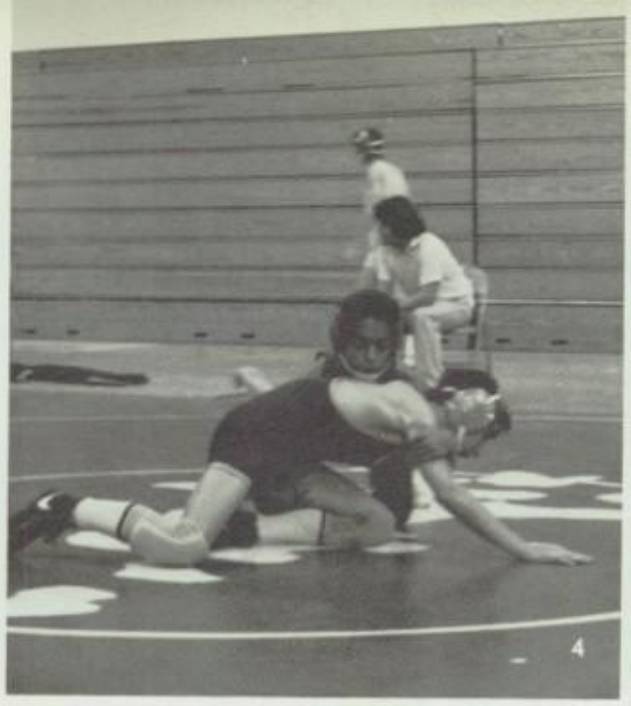
It was more or less the same old story for our Junior Varsity wrestling team. They were awesome. With a 5-2 record, the J.V.'s had many impressive wins this year. After beating Harvard 70-0, Chatsworth 45-10 and San Fernando 72-3, they experienced their only flaw by being beat by El Camino by 3 points.

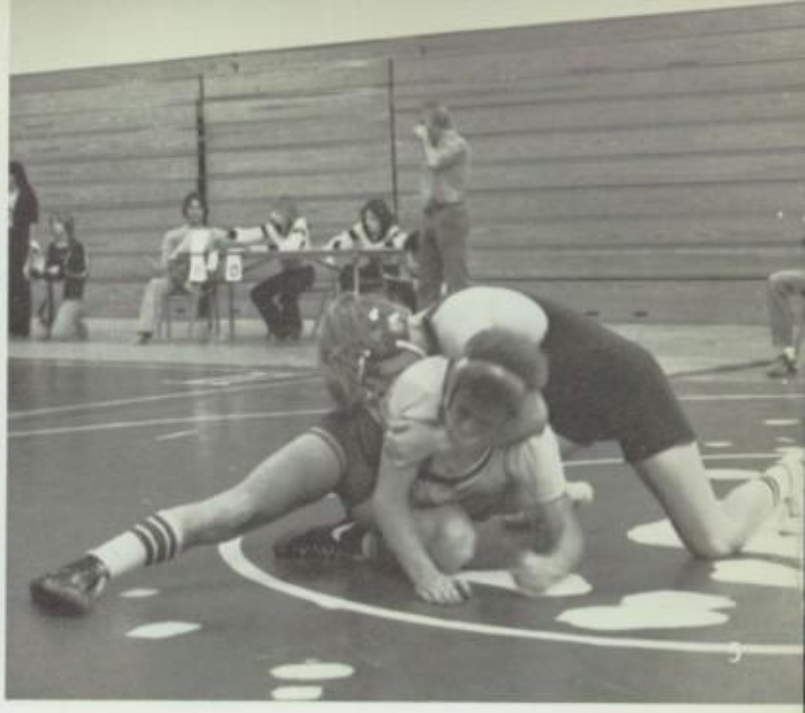
The future looks very promising for the Varsity next year. The J.V. leaders, Gary Mattson and Frank Donner, both could have wrestled varsity on any other team. Plus, this years Freshmen contributed greatly to the program. They had alot of size and desire that is so very important in wrestling. For the first time in years, the J.V.'s went into a match with a full team in the upper weights. The big men whose future looks very promising are Mike Arellano, Lionel Barzon, Brad Pardo and Daryl Robinson. In addition, the Freshmen also had three wrestlers gain varsity experience; Eric Zumstein, Danny Edwards, and Daryl Robinson. So it could be safe to look into the future and say that Alemany wrestling is still on top.



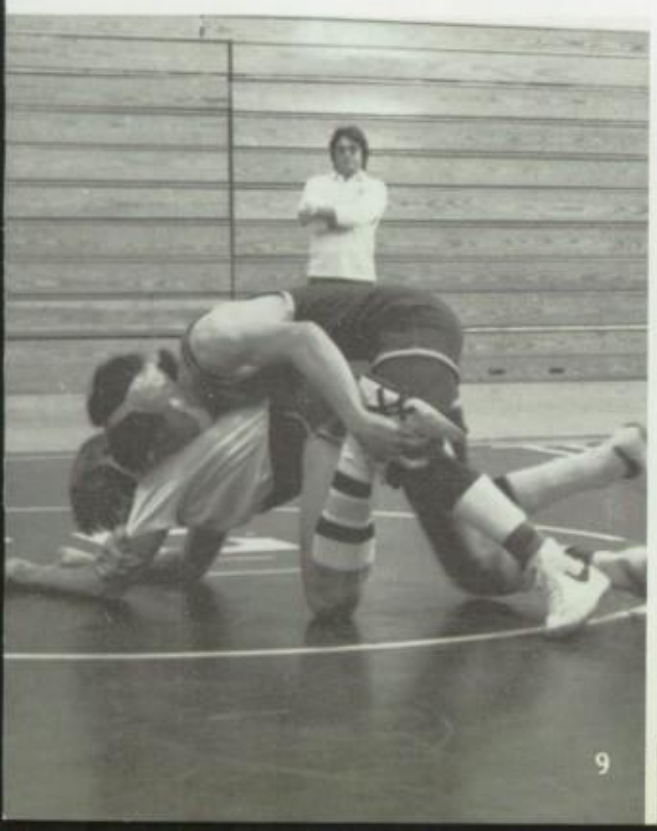


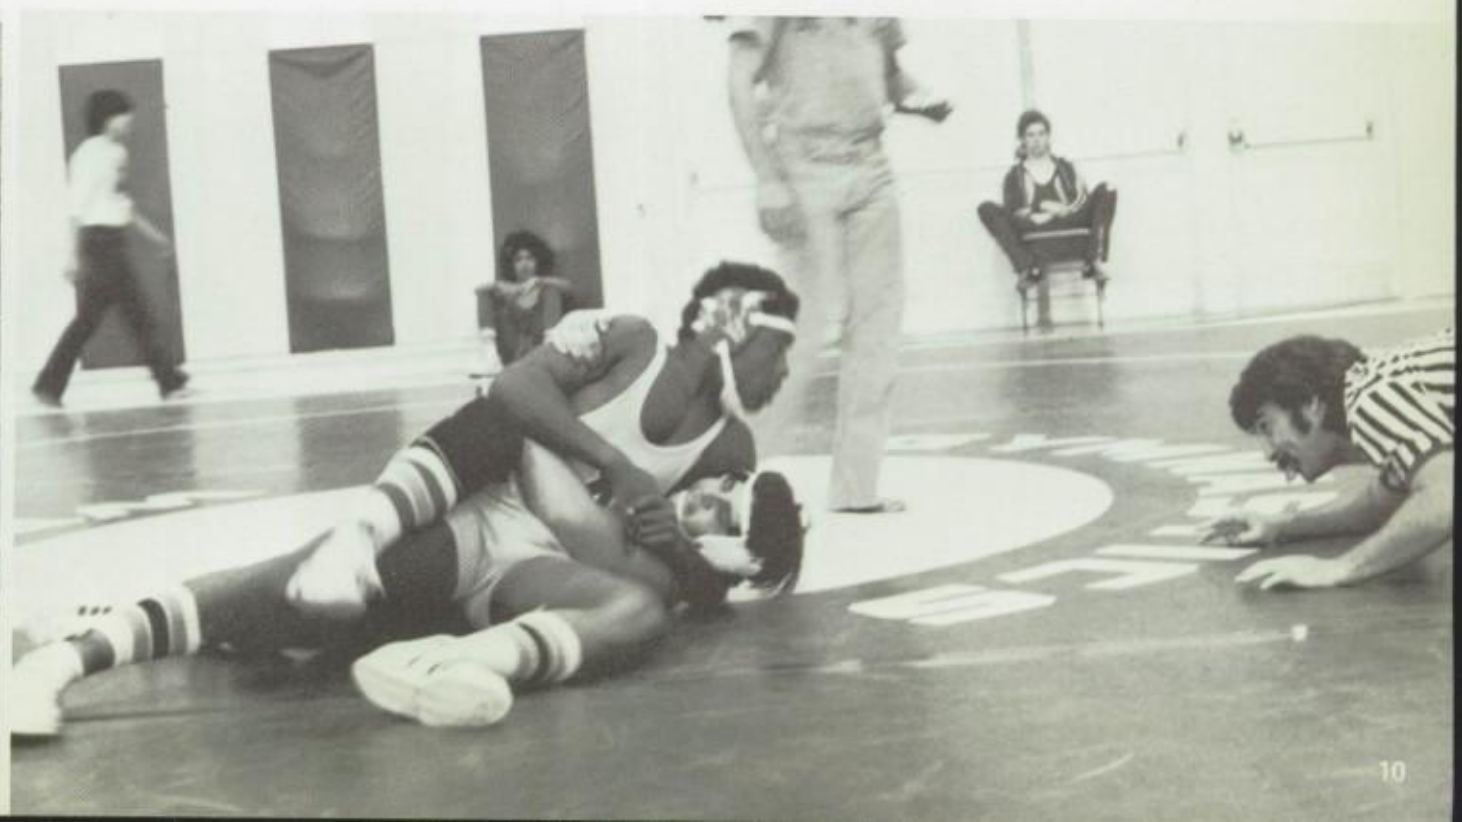






1. John Pleth just seconds away from pinning his man.
2. Breaking his man down is Mike Arellano.
3. Just a little more and Danny Edwards gets an escape.
4. Ken Ceasar setting up his opponent for a cork screw.
5. John Deary fights vigorously to keep his man down.
6. Gary Mattson buries his opponent from San Fernando into the mat.
7. An alumnus, Greg Haussman, was responsible for the development of our young wrestlers.
8. Showing the proper way to pin a man with a cradle is Steve McDonnell.
9. Eric Zumsteim uses the near arm and far leg to break down his opponent.
10. Come on Ref, he's pinned, says Darryl Robinson.





All The Way To C.I.F.

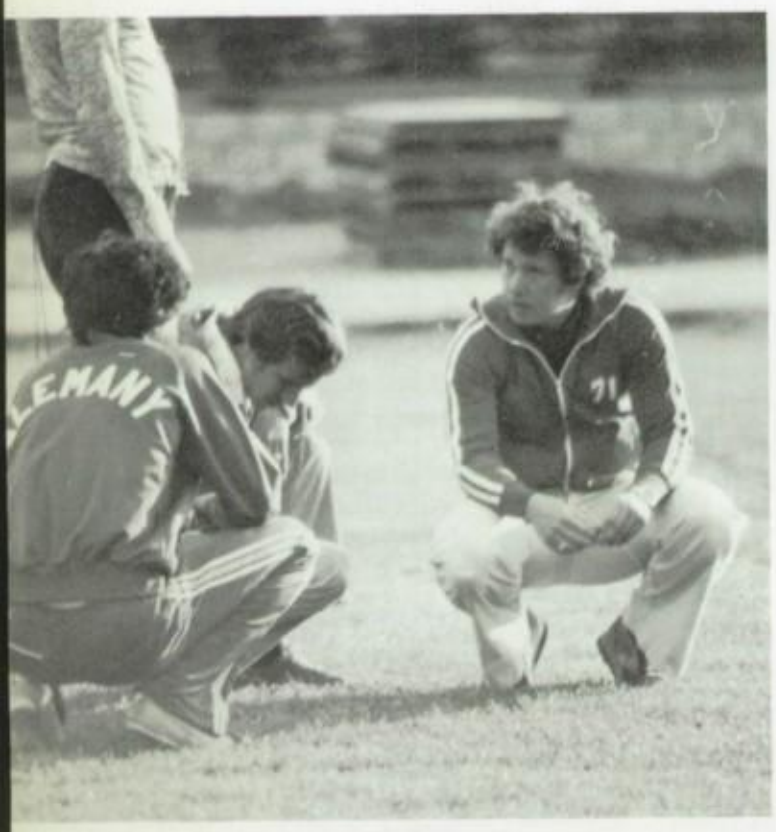
C.I.F. is the goal of every runner on our track team. Only the best get to go to C.I.F., and Alemany is represented there every year.

To get to C.I.F. one must do very well throughout the season. With excellent coaches and talented individuals we did just that. Four out of five dual meets were won, and team titles were captured at the various invitationals. These included St. Pauls, Citrus, and the Sun Relays. Outstanding runners were seniors Luis Torres, Michael Crimes, and juniors Donald LaBomme and Pat Pakele.

Without coaches, a team is nothing. Through the dedicated coaching of Mr. Duffy, Mr. Smith, and Mr. Walker, points were scored and school records were broken. All in all, high spirits, fantastic coaching and team effort made for an exciting 1980 track season.

Donald LaBomme flies across the finish line for another Alemany victory.

Moving ahead, David Campa lengthens his lead.



"In order to win the meet, you have to place first in the next race," says Mr. Duffy to Pat Pakele.

This year the Frosh-Soph track team excelled extremely to give them a very successful season. Although they took a fourth-place position in league, the tracksters showed their strength and abilities and fought each team to the finish. The distance squad was led by sophomores Bob Shelly, Steve Delgado, Ed Demarie, Dave Stafford, and freshmen Damien Curry and Tim Panec. Top sprinters were Jay Johnson, Joe Vidal, Darryl Gardiner and Mike Thomason. Leading the field events were Dave Mason, John Shea and Frank Thometz. With these and many other tracksters the Frosh-Soph track team won two invitationals, and succeeded in having an "Awesome" season.

Varsity Baseball: A Learning Season

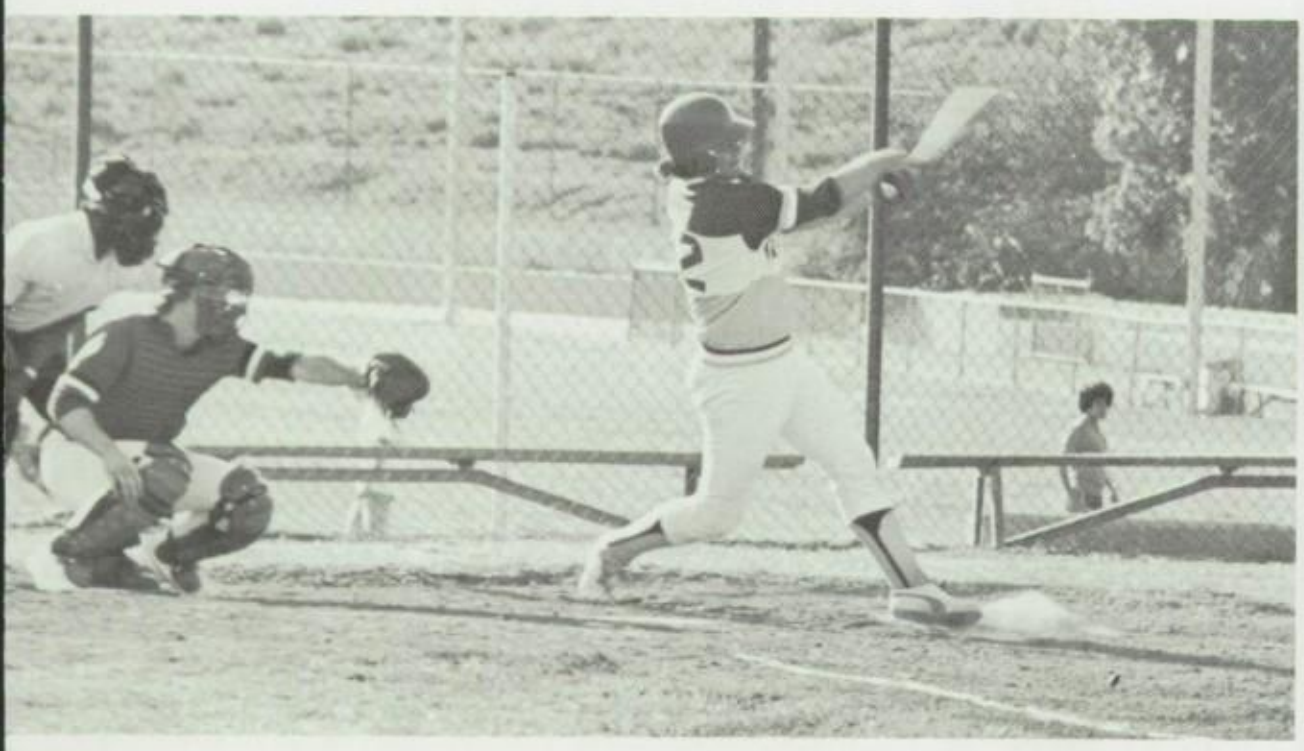
Although this year's Varsity Baseball team had a disappointing record, they managed to keep their spirits up throughout the season. With only four returning players they started off with basically a young team. Having only two seniors, the team consisted of mostly sophomores and juniors. Infielders Jeff Behnke and Jeff Barker, and pitcher John Ryan did surprisingly well. The team feels that the new Del Rey league competition wasn't too much for them, but that their inexperience was. With the experience gained during this season, the team plans on doing well next year in the new Mission league.

Reliever Manny Rodriguez showed promise throughout the season.

Taking advantage of his speed, Dean Oldrate takes a large lead at first.

Quickly reacting to the pitcher's move, Freshman Darryl Robinson, hurries back to the base.

Taking advantage of the short right field fence, Senior Mike Duarte rips another hit.



Putting all his power into it, Jay Hagar brings in another run.

Contemplating a winning strategy is Coach Cantu.

For the J.V. Baseball team, the last game of the season was the deciding factor. After losing to St. John Bosco, the J.V.'s finished second in league. Consisting of Juniors, Sophomores, and one Freshman, the team had an impressive record of fifteen wins and four losses. With their winning record they will be a great asset on the Varsity level.

Mark Garcia demonstrates the proper way to field a ground ball.

The Alemany Freshmen baseball team displayed a combination of spirit, enthusiasm, and a promise for the future during their shortened season. Though many games were not played, Coach Rooney saw a vast improvement in his young players. The defensive strength was in the pitching by Mike Flores and the fielding by Brian Winsik. Fine hitting was also an asset possessed by the Freshmen squad. The experience gained by the young team gives the varsity an outlook of prosperity.

Varsity Golf Finds It Rough In Del Rey

Starting the season with many new players, the Golf team finished with a record of three wins and ten losses. As individuals the team did well with Zeke Martinez finishing second in the Del Rey league. Although their record does not look impressive the team felt that Mr. Mayberry was an excellent coach. With many golfers returning next year the team should place in their league.

Showing the style that enabled him to make All-League is Zeke Martinez.

Edgar Gonzales concentrates to sink the putt.

Varsity Volleyball Maidens

Concentration is the name of the game for Senior Michelle Mosby.

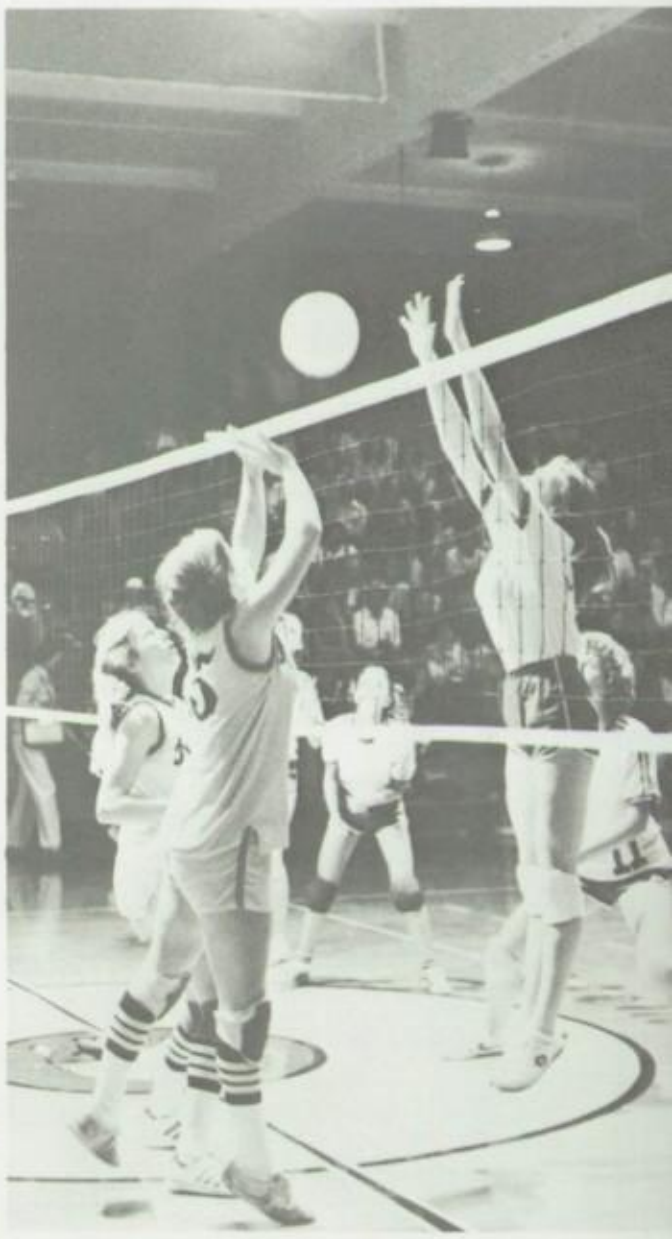
There is a certain warmth and togetherness among the Varsity Volleyball team.

Tense game, but Mari brings in points.

The crowd is nervously awaiting, the gym is filled with the sense of excitement, the scoreboard is lit and the game is about to start. Down below, we go into the locker room where anxious players wait to meet their opponents face to face. A last minute pep-talk is in session right now, so lets go down to listen. Its Coach Graziano planning a little strategy before the Maidens meet Louisville, the biggest game of the season!

One hour later: The gym is emptying out, so we will now go back down below into the locker room and visit the Maidens. The scene is a group of sadden faces. Yes, they lost! But they put out their best.

Yes, the Varsity Volleyball Maidens did have a good season with only two loses the whole season. As the maidens went into the first round of C.I.F. prelims, they gained a sense of victory within themselves, even though they lost the game. Making first-team All-League this season was, Senior Coleen O'Grady and Senior Shelli Mosby. Making second-team All-League was Jenny Haymond and Kirsten Smith.

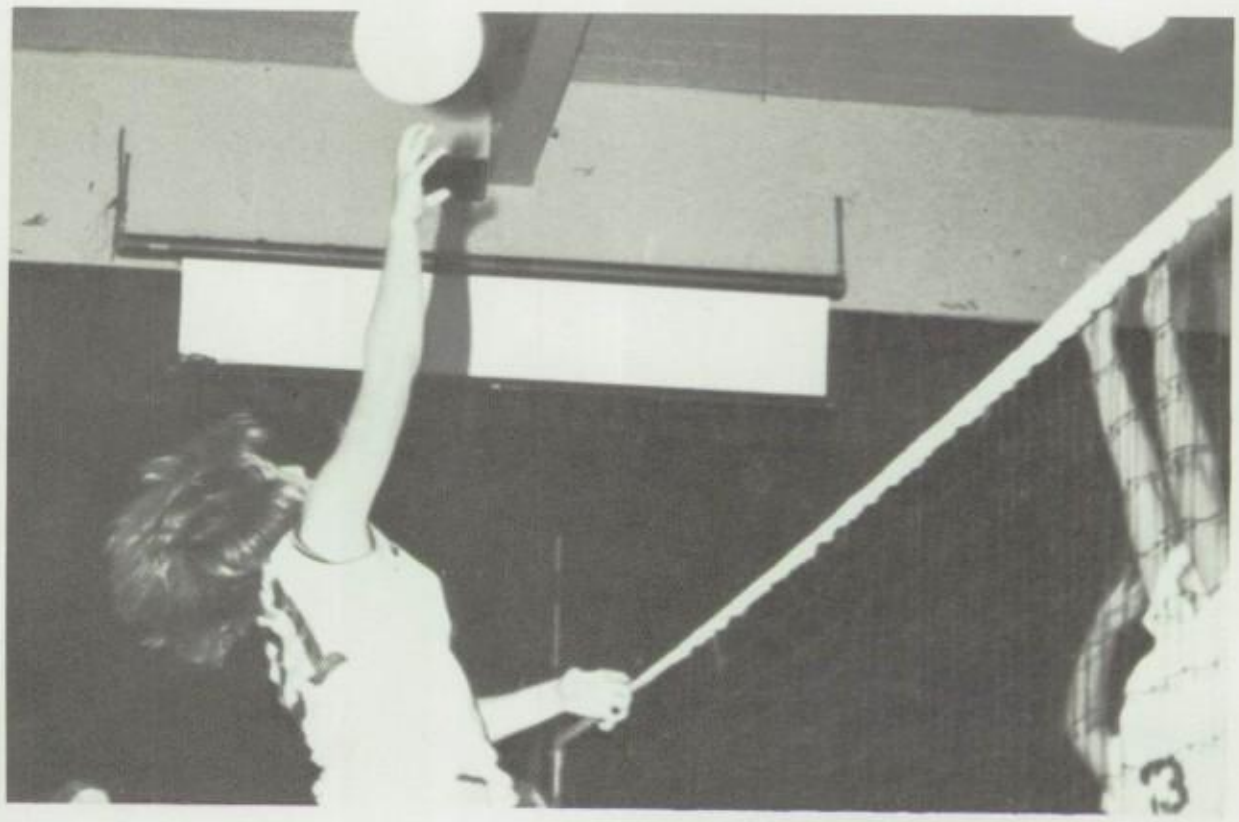


Mari and Michelle go for the points.

Girls Varsity Volleyball

A Winning Season!

Alemany has produced many great things throughout its history, one being the Girl's Varsity Volleyball team. Although this team is by far the best in the Valley, the girls could not have done it entirely on their own. Under the excellant coaching of Nancy Graziano, the girls have learned skillful techniques, form, along with a respect for fellow teammates. All going into the making of a League winning volleyball team.



Senior, Shelli Mosby waits to come up to spike the ball.

Senior, Mari Johnson executes a perfect style in her spiking.

Anna Garcia blocks the ball to discourage the other teams points.

It takes team work to be on the Injun Volleyball team.

"Go For The Gusto . . .

. . . do it for Jody!" This was the cheer which the team offered up to Coach Jody Hobbs, who was with them through the victories and defeats. It seem their dedication and hard work payed off when the girls. mostlv freshman, sophomores, and a few juniors, ended their season with eleven victories, a mere two losses, fourth place overall in a tournament at Quartz Hill, and the League Championship.

Cee Team

Off To A Good Start

With deep concentration, Tina Routolo delivers the opponent her over hand serve.

Ready to spring into action, our defense tensely awaits the on coming serve.

Hey you! Did you see Alemany's Cee Team this year? If not you missed out on the discovery of a really good team. Although the team had a great season winning 9 out of 10 games, winning was not their only goal. According to coach Peggy Shea, an alumnus of Alemany, the goals the girls themselves set, of working together, becoming a team unit and developing skills were successfully achieved. Varsity coach, Miss Graziano added that the main importance of the Cee Team is not their wins or losses but the experience they gain by exposure to high school volleyball which teaches them the fundamentals to continue the winning tradition of the Alemany Maidens.

Cee Team: K. Frias, M. Englehart, L. Catherall, A. Lopez, J. Aranda, M. Kirby and C. Gutierrez

Cross-country is free running at its best. It is in the race that the runner challenges himself to his limits. The runners objective is maximal performance. The Alemany Girl's Cross-Country team of '80 worked its way through the season with great style, determination and endurance. The outstanding runners of the Varsity squad are Diane Deegan, Mary Cook and the newest addition to the team Vicki Cook, a top notch runner in cross-country competition. John Duffey coached the girls to a successful undefeated season.

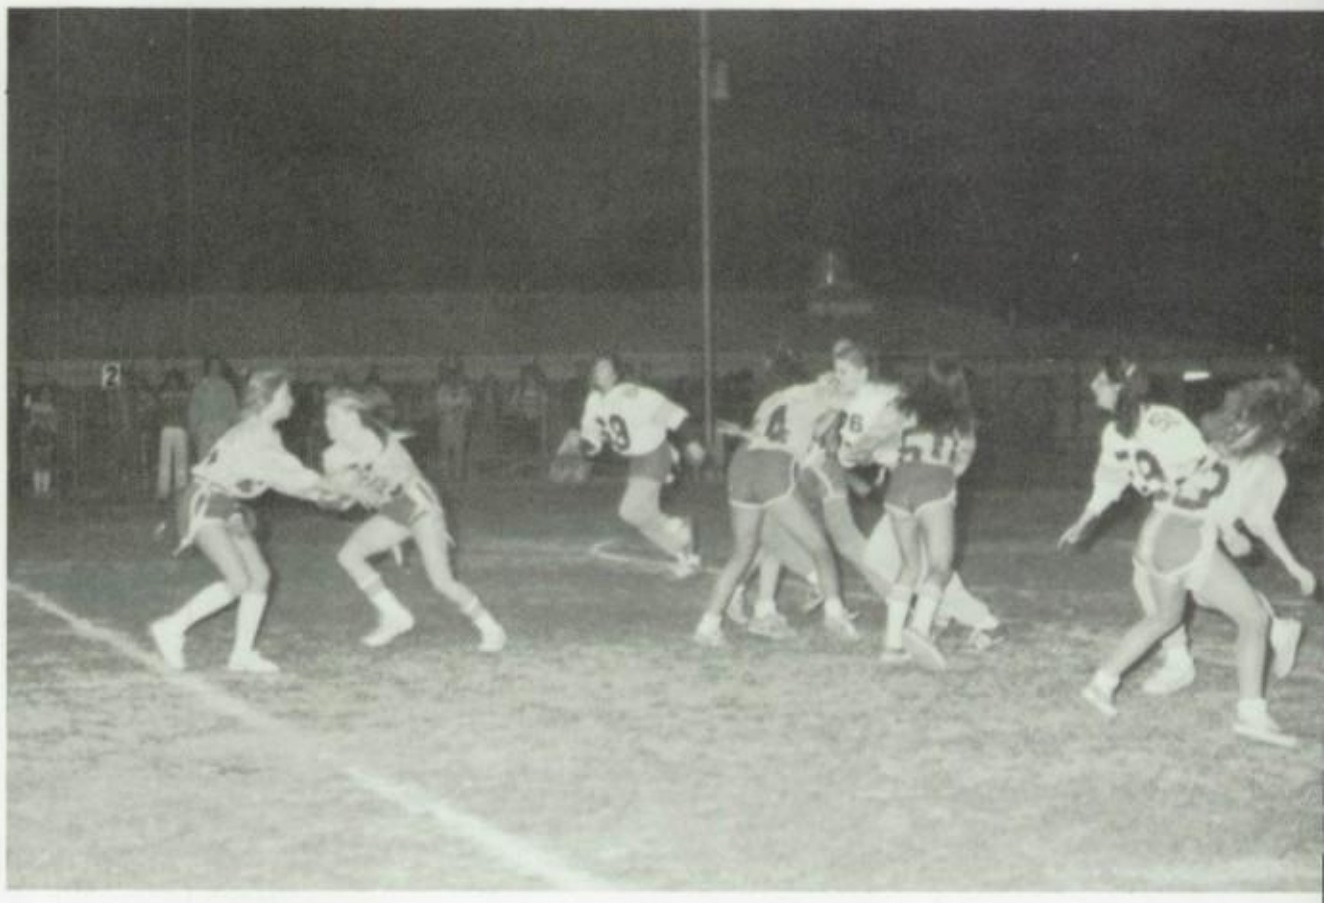
Women The Weaker Sex?

What's this, girls playing football, guys cheerleading? That's right! On December 14, 1979 Alemany's football field was taken over by Freshmen, Sophomore, Junior and Senior girls. The evening was kicked off with high spirits by the Freshman and Sophomore game, won by the Freshmen. Following this was the not only exciting but entertaining Junior, Senior game where the Seniors were victorious. Their weeks of hard work and sore muscles had paid off bringing to a close another highly successful powderpuff series.



The pressure is on as the defense moves in.

Ready for the attack Kira Huravsky waits for Leslie Jones.

Rob Halpin, Pat Pakele and Mike Chessy take a new role.

Spike It!

Bumps! Sets! Spikes! These were the techniques showed in this years intramural volleyball tournament. This year it was a two man team consisting of student vs. teachers, girls vs. girls and girls vs. boys. It wasn't only the battle of the sexes, but it was the battle of the teachers and students as well. When the games began everyone was out for a good time. With the quarter finals the, tournament turned from casual to competitive. At the end of the tournament medals were presented to the top three teams. Through the efforts of the Student Council the tournament was a big success.

Mike stands ready in order to back up George's spike.

With total concentration, Tara Ritter bumps the ball to her partner.

With ease, Steve Johnson scores again.

Maiden Basketball '80

Once again the Alemany Maidens upset the league by capturing the championship title. The team, excellently coached by Nancy Graziano, wound up their season with a 14 and 0 league record. Leading the team to their victories were seniors Michelle Mosby and Geri Delgado, and sophomore Kirsten Smith. Shelli averaged 18 points per game, totalling 361 for the season. She was awarded MVP in league and named to the first team all League. Kirsten totalled 140 points overall, averaging 16 points per game. She was also named to the first team all league. Geri showed tremendous skill in speed and agility. The team together made their fans very proud to be in the crowd.

The J.V. Girls's Basketball

What do you get when you mix skilled individuals, determination and lots of heart? You get a winning basketball team! Although it wasn't all that easy, the Alemany Girl's Basketball team took the game seriously and displayed their own individual skills. The J.V. team, under the coaching of Jody Hobbs has always had a successful season. Another plus was the girl's attitude towards their coach. They took all these elements and formed it into their winning League title.

Junior Yvette Proctor finds herself in a made dash for the ball.

What do you get when you put Coach Peggy Shea together with highly spirited, and talented girls? If you know anything about this year's Cee Basketball Team, you've got the answer. Even almost invisible crowds did not dampen the girls' enthusiasm to win, and led by center Twana Malbrew and guards, Lesley Crimes and Rhonda LaFear, win they did. In coach Peggy Shea's view these girls have alot of potential and will be an asset to next years J.V. team.

They're jumping for the sky.

Ready for a sure shot.

Varsity Girls Track . . .

Practice, Perfection!

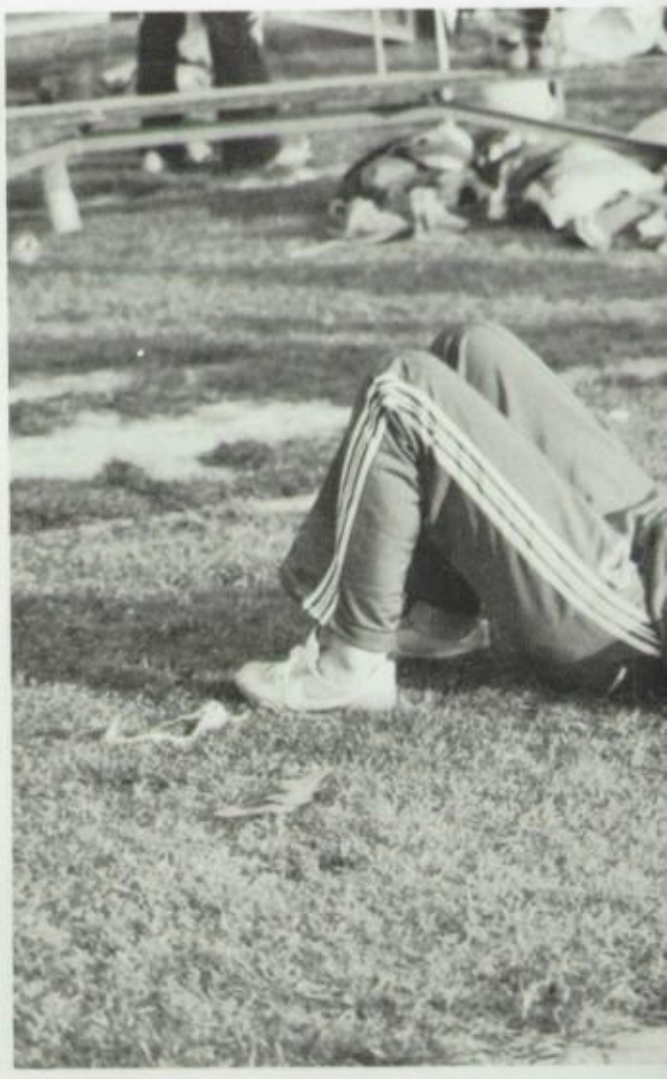
"Mr. Duffy, Mr. Smith! When is my next running event?" Where are my sweats?" "What time does my running race start?" These were some of the familiar phrases that were heard around 2:30 pm, Monday thru Friday, on the Alemany campus. Putting together a winning team was a trying experience for Randy Smith, first year coach of the Girls Varsity Track team. It took endurance, dedication, spunk, and patience, on the part of the girls, Mr. Duffy, and Mr. Smith. Yet the season proved to be a success. With runners such as Sophomore, Vicki Cook, Junior, Mary Cook, Senior, Deedee Deegan and Linda Leach plus many others. Out going, and hard working, is one way to describe the girls track and field team. But hard work was not only what these girls thrived on . . .

Usually right before Deedee Deegan runs, her foot gets a professional taping from coach Duffy.

Before practicing the 440 relay, the girls plan their strategy for a winning race.

. . . Making a name for themselves is very important. When at first the girls 4-mile relay team arrived at San Diego's Coca-Cola Invitational Track Meet, they had no idea that they would break a new national record. But they did! And Deedee Deegan, Vicki Cook, Linda Leach, and Mary Cook went on to win the national record of 12:08 in the distance medley.

Senior, Linda Leach, puts a perfect 34' for the new school record.



Kristen Tepley relaxes while taking in the races.

Noted as being the most distinguished runner this year, Vicki Cook leaves the rest of the runners behind.

Better known as the "Alemany Angels," Mary, Jenny, and Donna warm up for victory.

Look at this! All the Alemany girls are in the lead! What do you expect?

Sophomore, track-star and hurdler Maureen Kirby.

The hurdles, one of the more popular events, has stars such as Pam Nale.

Executing perfect form in running, is one of Mary Cooks specialties.

Off to a flying start, Lizzy Crimes.

Jamie Jones runs to win in the 100.

Janice Bussing, one of this years new track and fielders performs in the long jump.

Varsity Girls Softball . . .

Breezes Through Season!

The Alemany Girl's varsity softball team under the excellent coaching of Nancy Graziano battled their way to victory in the San Fernando Valley League. The team really took their games seriously with much concentration and skill to add the finishing touch.

Showing her slugging ability is Kirsten Smith.

Erin receives a helping hand from an Eagle.

J.V. Softball . . .

Real Injun Power!

Collette waits intensively for play.

Kristen's determinded to get'em out!

Techniques and hitting skill won many of the games.

Sara prepares to catch another.

Put a group of nine girls together on an open softball diamond. Coordinate their style and techniques and suddenly you have produced a winning J.V. girls softball team. Yet it's not as easy as that! Alot of dedication is needed not only by the players but the coach as well; and this is what Mrs. Sharon Coia has provided the J.V. softball team with this year. A feeling of competition along with respect and the incentive to win!

Kick It Out!

A common command heard at a practice for the girl's swim team of 1980. The team at the beginning of the season could be compared to a group of poly wogs. After six months of training, in and out of the water, they were a group of twenty-some full-fledged fish.

The team progression and personal improvement was driven by Larry Edwards and Mary Hirn, coaches of the varsity and JV teams respectively. Their determination together with the girl's dedication made a very successfuly force which placed second in the league, facing some tough opponents.

Coach Edwards, Captains Sherry McCarthy and Kathy May, Brigid Sasal, Karen Sanders, Sue Frandsen, Wendy Mena, Jenny Chandler, Dawn McHugh, Cindy LuVisi, Sue Delano, Debbie Wright, Mary Morrisey, Anne Cook, Peggy Brix, Coach Hirn, Corteen Franz, Tweety Hildebrant, Katie Eichten, Liz Lynn, Teri Reilly, Gemma Mendoza, Veronica Mena, Cindy Cervello, Pam Tamusaitis, Ann Delavigne.

Mary Hirn, responsible for the development and achievements of the JV team, watches as the girls swim on.

Second year Varsity coach Larry Edwards pushes his girls mentally to improve their times.

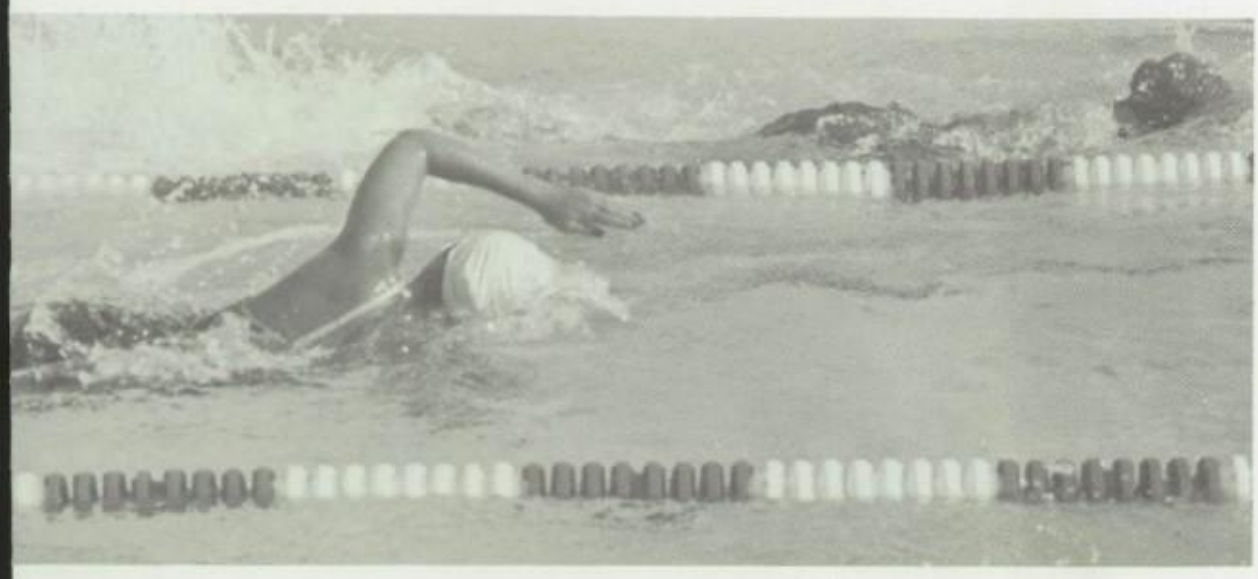
Mary Morrisey and Pam Tamusaitis take time out for a little fun.

Surprising everybody with her strength, Jenny Chandler holds her lead.



Giving it her all in a close race is Katie Eichten.

Executing a perfect crawlstroke is junior Liz Lynn.

The league record was an even 2 and 2 for both varsity and J.V. The girls defeated Immaculate Heart and St. Genevieve but found defeat against Corvalis and Louisville. The team entered in two invitationals, Long Beach and Wilson, where, individually, they did very well.

Freshmen: The Class Of '83

Freshman Vice President, Eric Zumstein, Secretary, Denise Atkinson, and President Dennis McSweeney

Your Freshman year, oh what a change it is! Walking around the various halls and walk-ways wondering where to go and who to turn to for help can be a very depressing situation! As the school year slowly plows onward, you face the almost impossible task of being accepted and respected by the upperclassmen. What a drag! However, as the year ends, you are greatful that you made it through and that when you return in September, you will never have to be known as a little insignificant Freshman again.

Freshman Thomas Angel hurries to catch up to his friend.

Two Down, - Two To Go!

Edmond Khodapakhshian says, "Hey, wait up!" to his friends.

Watermelon and donut sales, Crazy Companions, Dodger Day, a dance, and Funday were among the ativities sponsored by the Sophomore Class Officers, Janice Engelhart, President, Dave Mason, Vice President, and Tisha Santana Secretary-Treasurer. The class has definately shown their ambitious attitude, for they made themselves well known and heard at rallies and games. With their loud voices, they often matched the Juniors and Seniors spirit.

Part of the Sophomore daily routine, walking to class.

Lillian Arroyo leads a discussion of the news.

President, Janice Engelhart and Secretary-Treasurer, Tisha Santana keep Dave Mason, Vice President, extremely occupied.

Juniors Alright!

The juniors got the school year off to a jolly start with the installation of Diane Raheb as junior class president. This class was characterized by their high spirits and class unity. Many class members wore their class colors, light and dark blue, on a specially made "Juniors Alright!" tee-shirt. The organization of these projects was assisted by class officer Melinda Endaya, secretary, and Mike Gunther vice president.

The success of various bagel, candy, and donut sales helped to support the junior class and allowed them to sponsor a sock-hop and the annual Backwards Dance.

Overnight retreats also highlighted the year for many juniors. On these retreats people were able to open up to each other and really enjoy themselves. The junior class was made up of quite a unique group of individuals, and with their incredible spirit made the year a great success for everyone.

Student Council

Just how are Student Council members sculptors? They took the beginning of the year, just like a piece of clay and stretched and pulled and slowly and gradually a figure began to take shape. The clay was formed into new activities such as rollerskating nights and the Frisbee Golf Tournament. Some part of it got molded and out came the new girl's powder puff program, exciting dances, a shaped-up intramural volleyball tournament, a recreation of the Jog-A-Thon, and a re-instated slave auction. None of these creators ever stopped working because if they had, the figure of clay would not have been complete and neither would the school year of 1979-80.

California Scholastic Society

Question: What does it take to sell 1,627 carnations?

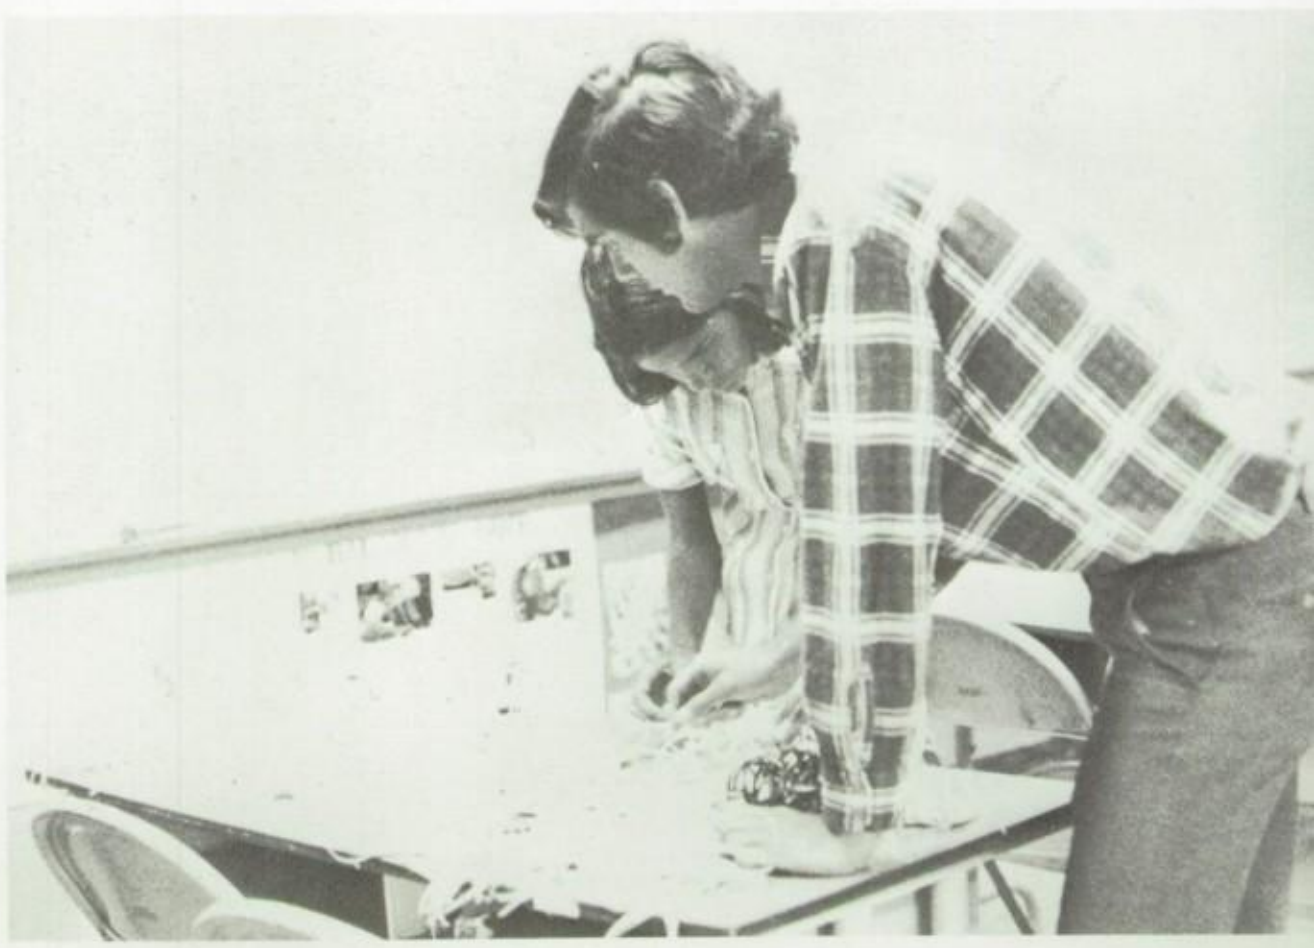
Answer: A bunch of energetic, smart (with a G.P.A. of 3.25 and above,) and talented C.S.F. students.

Yes, once again the members of C.S.F. were able to give Alemany High School a little added color with their three flower sales. On the Fridays before the Homecoming, Backwards, and the Valentines dances, flowers, with their friendly messages, were deliver to the homerooms.

This was preceeded by many dedicated hours of selling, sorting of tags and flowers, and the final deliveries to the lucky recipients.

Milinda Endaya sorts out the flowers for the various homerooms.

Buckets of water keep flowers fresh while Diane Murphy attaches tags.



C.S.F.'s President, Mike Crowe, and Cathy Passerelli sort out message tags for the flowers.

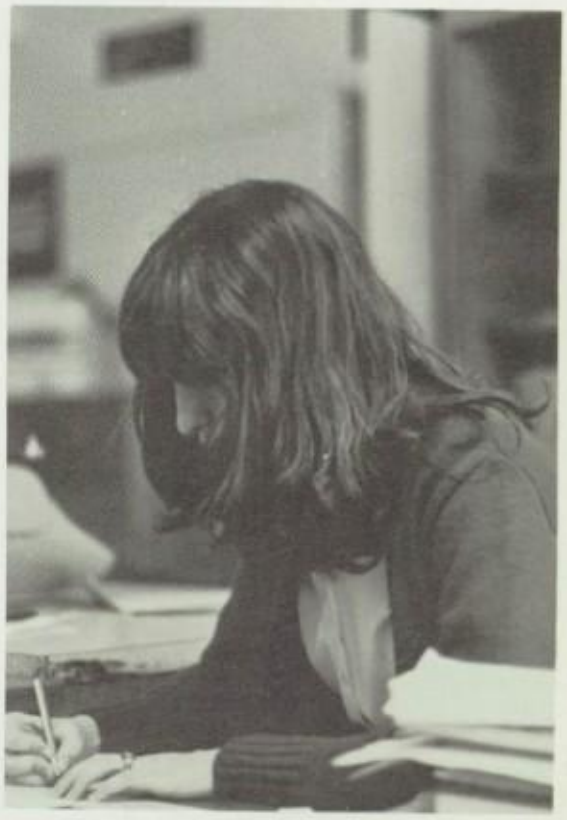
Pow Wow

Sports Editor, Amy Orr, pounds out another thrilling story.

Hot off the press, Mr. Feezer proofs the final draft.

Alemany's newspaper, Pow Wow, was as strong as ever. Although the staff was made up of many students who were "new to the business," they provided many fresh ideas and a great deal of enthusiasm. Reporters like Amy Orr and John Diballa made it all come together.

Pow Wow also had the advantage of having Mr. Freezer as moderator and Laura Boltz as the staff editor. Mr. Feezer, having worked on a Chicago newspaper, provided many helpful hints for improving the quality of their writing. The final results were interesting papers that the students enjoyed to read.



Diligently working to meet her deadline, Carla Ruiz puts on the final touches.

Striving For Excellence

Our Half-Time Entertainment

All of those entertaining half-time shows that you witnessed were a product of your own Alemany band, color guards, rifles, and majorettes. The finished result that you saw didn't just happen. The members spend long hours creating and perfecting their routines; have you ever noticed that the light in the band room is almost always on?

New to Alemany this year, Mr. Donlen has brought the band a long way. From the beginning of the year, fans have noticed the improvement in their shows. Color guards and rifles were added this year for your pleasure. Mr. Donlen and his band can be commended for the fine and exciting shows that we've all enjoyed.

Performing during home football games, the band is entertaining to everyone.

As Mr. Donlen has proven, behind every good band there is a good director.

Jennie Jarnot shows that long hours of practice really pays off.

Carefully reading her music, Beverly Iosue helps the band sound great.

Four year band member, Ed Torres, displays his abilities.

Cheerleaders Bring Out School Spirit

What does it take to make a strong, outstanding cheerleading squad? You need the following: Five dancing songleaders under the supervision of Wanda Negrete, eleven rocking cheerleaders with Brenda Gill as their supervisor, one solid week at UCSB Cheerleading Camp, a couple of winning teams and one super school to be proud of. Along with the varsity squad, there are the JV and Freshman cheerleaders who show great promise for the future squads of Alemany.

Although we have three excellent cheerleading squads, school spirit just wouldn't be right without a spirited mascot, and who else but Mari Johnson would make a spirited mascot. When Mari signed up for mascot she didn't know exactly what she was getting into, but Mari put her act together and brought home her own spirit stick from camp.

Chela puts extra effort into it.

Mari smiles with satisfaction.

Cheerleading makes ya crazy!!

Linda shows everyone how she can dance.

Brenda keeps an eye on the game.

A famous saying, "pass, pass, pass . . ."

Smile, Elena, you're on Candid Camera.

Shake it Chela!

"Wanda" gives a **cheerful** smile.

But Laura you're not camera shy!!!

Georgi Baby, It seems like yesterday when we graduated from Santa Rosa. Now here we are out of Alemany and out in the big world. Well Georg we had some good times. Like the time in Vito's car. Boy, was that a good time. I'll never forget it.

Things started to fall into place around the middle of August, when most of the "big people" and some of the "little people" met at a bus stop in San Fernando to catch a bus to UCSD for yearbook camp.

Yearbook camp proved to be an experience. Learning the aspects of what makes up a good book and what to avoid if a good book is to be produced were just a few of the subjects touched upon. Although there were classes 8 hours a day, there was still time to enjoy yourself.

The week after camp, meetings began to be called regularly so we could get out and sell as many ads as possible. By the time school had started, the yearbook was already underway.

Once school started, we set out the task of choosing an appropriate theme. This was hard because we needed a theme that was original and unique-to fit Alemany. After much brainstorming we thought that "A Touch of Class" would fit. Now came the tedious work of putting together the book.

With everyone working together, we helped each other through what sometimes seemed like impossible deadlines. Lost pictures suddenly came up with the help of St. Anthony. Cropping pictures and writing copy became a lot easier having someone there to talk to and to listen. Through Yearbook this year, we learned a lot, not only about yearbooks, but about ourselves as well.

With a lot of effort, we finally managed to put out the book. We hope we have accomplished our purpose of putting out a book that reflects Alemany and has a "Touch of Class."

Prom 1980

The moment you walked in the door, you knew you were in for one very special evening.

Outside, the sun was just beginning to set on a gorgeous day. Inside, spirits were high and romance was in the air.

Pictures started off the evening for most of the couples. By 8:00, friends and tables had been found, and dinner was served.

Before you knew it, the band, "Organized Crime," was on stage, ready to go. The music was great, the dance floor was full, and time flew.

A twist was added to dinner by the singing telegram received by Dave Donner. It was unique, especially when she removed her little green outfit to reveal - her bathing suit!

Then came the big moment-when Senior class President Luis Torres crowned Debbie Kershisnik as the 1980 Prom Queen!

Dancing continued until 1:00, rounding out this special evening of May 25. From the Marriott, it was on to the beach and parties, under the star-filled sky.

Who is this lovely group of people? The 1980 Prom Court, of course!

Convention 80: Emmett Diane Melinda Mike Ron Emmett Diane Melinda

In the beginning, five candidates dreamed of becoming the 80-81 ASB president of Alemany High School. They campaigned heavily for two weeks in hopes of attaining their goal. The pressure was on as the big day neared. The mounting tension came to a peak when May 5 had arrived. Confusion, confetti, and choas marked the beginning of the Convention 80. Starting a different trend this year, to make it more realistic, the delegates were elected proportate to the number of registered voters in the homerooms. After nominating speeches, all candidates (Melinda Endaya, Mike Gunther, Emmett McGrath, Ron Paquette, and Diane Raheb) waited impatiently for the results of the two finalists. After balloting, the victorious Diane Raheb and Emmett McGrath made their acceptance speeches and announced their running mates, Dave Mason and Janice Englehart, respectively.

Dragging feet and happy hearts filled the gym on February 29 for the annual danceathon, held this year to support the Leukemia Research Society.

The 12-hour event, stretching from 2:00 p.m. Friday to 2:00 a.m. Saturday morning, was sponsored by the Service Commission, under the direction of Monica Doody, Laura Lynch, and Mrs. Brown. A new pledge system was initiated, so that a set amount of money was collected at the time the pledge was made. Apparently, the new system worked, because over $3500 was raised, in comparison to last year's $265.

Things got off to a pretty slow start, but by 8:00 p.m., the floor was filled, and the tunes were really cranking, as several transitions were made between records and tapes, a disco D.J., and 3 bands: "Southern Star," "Eclipse," and "Mickey Rat." Alot of the dancers stayed until 2:00, rounding out a fun-filled (but exhausting) evening!

Senior Tribute-a tradition- and 1980 was no exception. Brightly colored balloons decorated the gym, tables, covered with light blue paper and yellow carnations in glass vases greeted the graduating class. Fr. Coyne began the program with a prayer and congratulations to the "soon-to-be" alumni. Skits presented by drama members followed the luncheon, after which awards were given for Best Personality, Most Likely to Succeed, and Typical Senior, as well as others. The highlight of the afternoon was a slide show that brought back memories of the past four years. Maureen Sutherland sang "Believe" from the Wizard of OZ, and the Seniors left filled with fond memories and optimistic hopes for the future.

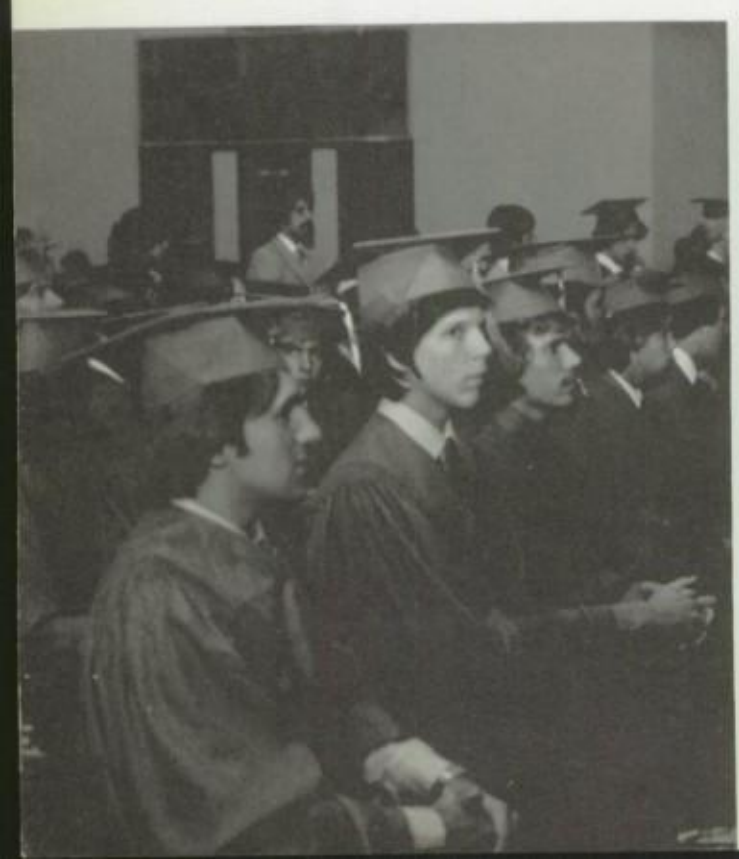
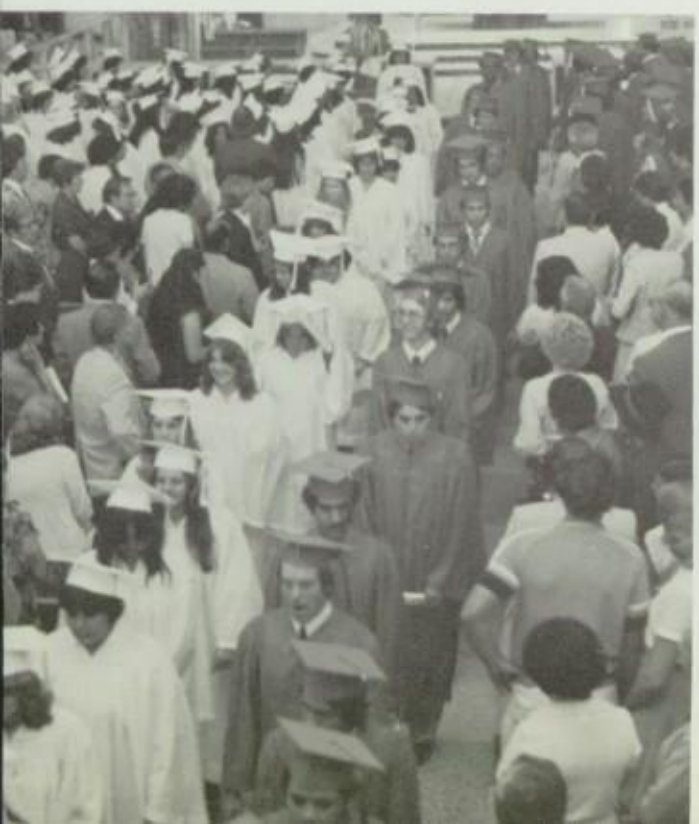
The 1980 Awards Ceremony was held on June 7th, immediately following the Baccalaureate Mass. In addition to receiving a diploma at graduation, many students were recognized for their outstanding achievement and leadership in school. Chosen to give the welcoming address at the commencement exercises was Dave Campa, while Mike Crowe was chosen Valedictorian, the highest honor in the Senior Class. Among other awards and recognition by N.H.S. and C.S.F. were those presented by different departments; Barb Englehart-English, Louis Torres-Foreign Language, Maria Diedrich-Religion, DeeDee Deegan-Math, Robert Palazolo-Social Studies, Cathy Williams and Laura Britton-Drama, and Lisa Aranda-Science.

Baccalaureate

June 7, Graduation day began for the Alemany High School class of 1980 with a beautiful Baccalaureate mass at St. John De La Salle. In his homily Father Stephen Blaire offered four simple rules for a successful and happy life; to set goals; not to be afraid; to give of ones' self and to live by one's conscience.

The music planned and performed by the Schola Cantorum formed an appropriate and pleasant background for this special spiritual occasion.



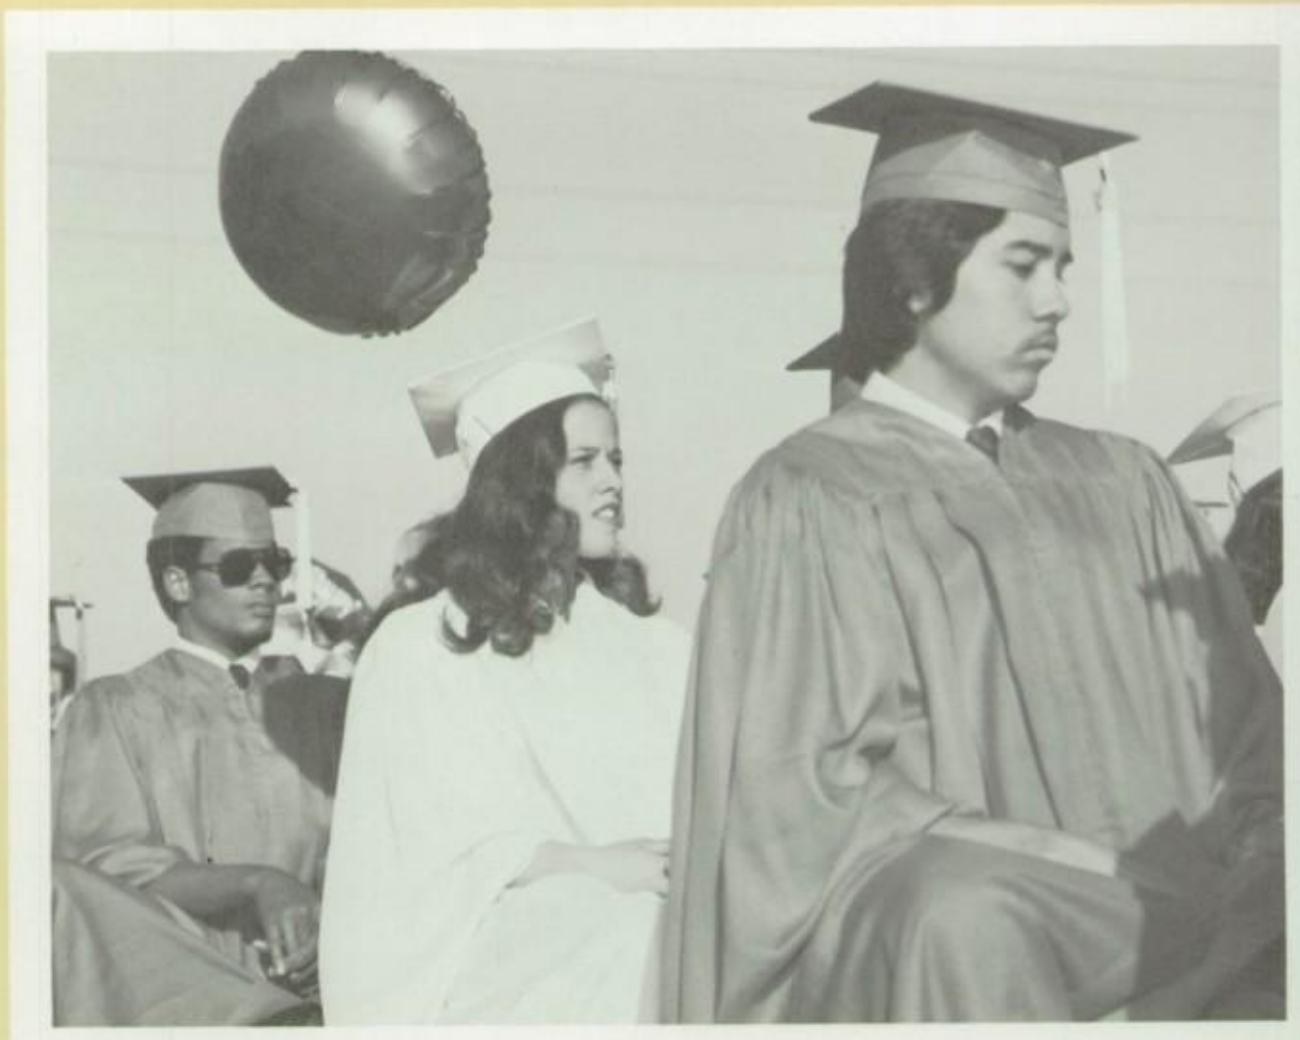


A More Than Happy Ending

June 7 marked the last time that the class of 80 would gather together as a whole. Always anxious for graduation, yet a little apprehensive, the Senior's finally arrived at this anticipated day.

In high spirits, the seniors, with their reflector balloons, squirt guns, and mirror sun glasses, marched onto the field to begin the ceremony at precisely 6pm.

Mike Crowe, valedictorian, and Dave Campa, salutatorian, gave farewell speeches to their class. Fr. Kenny and Doc. Connell, the guest speakers, then spoke to the parents and class members about the years to come. As Fr. Blaire distributed the diplomas, the seniors' dream became a reality. There were now considered alumni of Alemany High School.



Reminiscing, yet looking forward to the future are James, Gayle, and Mike.

SCHOLA CANTORUM

Schola listens attentively to Mr. Archer.

First row: Carol Fagan, Vic VanHyfte, Kim Gibilterra, Pam Fleeson, Gayle DeCampos, Sue Calkins, Mary Kolegraff, Scott Boute, Patty Sciuto, Julie Beal. Second: Mark Fackrell, Marianne Miller, Mary Kershisnik, Anne Gottenbos, Matt Connell, Liz Medrano, Maria Del Bagno, Cherie Hazuka, Rene Allen, Renee Wolfe. Third: Mr. Archer, Tom Ross, Chris Betancourt, Frank Parra, Maureen Sutherland, Lew Godinho, Ruben Gonzales, Ed Torres, Joanne Pickwood, Joe Ruiz, Amy Orr. Fourth: Jonathan Elliott, Sue VanHyfte, Mark Rocha, Bruce Lapinski, Jose Thometz, Roxanne Wagner, Matt DeCostar, Todd Taylor, Rob Gibilterra, Robynn Raymond, Don Goodwin.

Some of the members of the boy's section are Vic Van Hyfte, Jose Thometz and Mark Rocha.

Archer's angels harmonize on a heavenly hymn.

To achieve perfection Schola must put in long hours of practice.

During their daily class Schola members exercise their vocal chords.

Through many years Mr. Archer has proven to be a perfectionist.

When you hear the words "Schola Cantorum" what comes to mind? All most students think of is singing heard at school masses. Well, I bet you didn't know that our very own talented Schola was chosen as one of only seven schools to sing in the Loyola Festival of Music. With songs in English, Latin, German and Italian our dedicated Schola puts on a Christmas, a Spring, and an end of the year concert. During the Christmas season our hard working Schola sings for many local grammar schools and entertains each year at the faculty Christmas party. Now when you hear the words "Schola Cantorum" maybe the adjectives talented, dedicated, and hard working will come to mind.

"We're gonna stamp out hate!"

Julie Beal won't give drist into anyone's stranch.

THE MA®D SHOW

A Musical Revue
Based on Mad Magazine

Book by

In order to make a successful Mad Show, you must first have to come across some very humorous material. Now everyone knows that the best place to look for this is in Mad magazines. From these, you can obtain some kneeslapping jokes and a lot of crazy T.V. show take-offs like "The Dummie and Mareek Show," and "Kung Fool." And the Mad Show wouldn't be mad if you didn't include Mad's firing squad and spy v.s. spy, which are everyone's favorites. But then you need some music. Not ordinary music, but something off the wall that will fit the mood. Numbers like "The Hate Song," "It's a World, World, World, World Mad," "Misery Is..." and "The Eccch Song" are just a few of the crazy selections. And only a funky, hippie band would be appropriate for the occasion, together with their conductor, the murderer. And finally, you need about thirty creative actors, experienced light, sound, and prop crews and a handful of ushers to put the finishing touches on a zany comedy that people won't forget.

"It's a World, World, World, World Mad!"

"Misery Is..."

Kim Gibilterra and Joe Ruiz in "Irving Irving."

"Kung Fool"

Cast members: Lillian Arroyo, Norianne Annis, Diane Aquino, Julie Beal, Yvonna Biondi, Scott Boute, Ann Campos, Kim Gibilterra, Rob Gibilterra, Lew Godinho, Cheri La Follette, Jeanine La Follette, Alfonso Magdaleno, Elmer Magno, Leticia Mendez, Marianne Miller, Margaret Morissy, Cathy O, Farrell, Brian Paquette, Ron Paquette, William Powloski, Mark Rocha, Tom Ross, Joe Ruiz, Kent Salas, Eric Scott, Pat Simmons, Vickie Simmons, Marsha Smith, Todd Taylor, Carla Zubiate.

Works Of Art

Alemany's artists once again were able to show their best work at the Annual Alemany Art and Photography Exhibit. The categories in competition ranged from Ceramics, Sculpture, Line (Ink, Scratchboard, Charcoal, Pencil,) Color (Painting, Silk, Screen Printing, Advertising and Calligraphy,) Black and White to Pin Hole Photography.

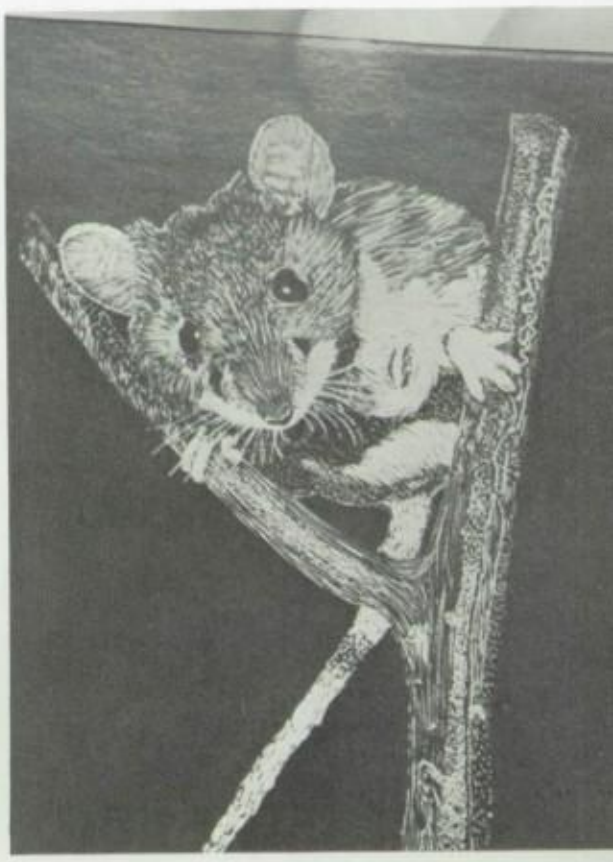
The judging was based upon originality, imagination, creativity, craftsmanship, and the ability shown in the use of the media. The panel of judges: Caroline Wheeler, Shirley W. Tarr, William Melendez, Joneva Barry, Paul Morris, and Frank Halas, selected the winners according to these standards.

In each category, first, second, and third place winners were awarded ribbons along with the honorable mention winners. Grand prizes were awarded to Joanne Culbertson for her self-sculpture and also to Ken Gosselin for his photography.

Grand Prize Winner, self-sculpture by Joanne Culbertson.

Display of talent in oil painting, by Sam LoPresti.

Among the excellent ceramic entries is Tony Durazo's second place winner.



Cathy William depicts a frisky littl friend on scratch board.

Photography gallary displaying grand prize and the runners up.

Abstract plaster sculptures, students' works of art.

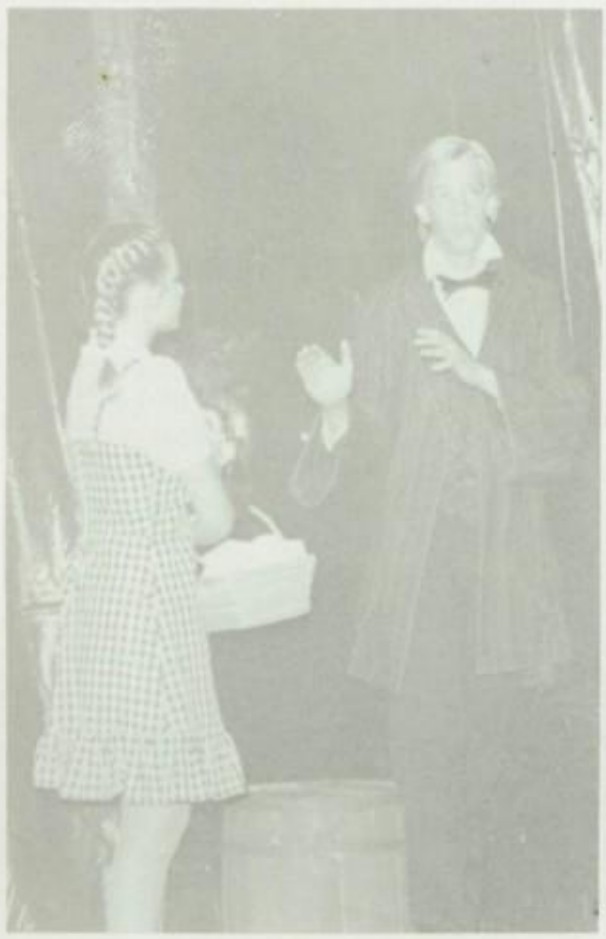
The
Wizard of OZ



"Follow the yellow brick road" cried the munchkins to Dorothy as she happily skipped down the path in the hope of getting back to her home in Kansas. Happy too were the Alemany High School students as they followed the yellow brick road right to Fr. Albert's Hall to see the Wizard of Oz.

The show, which was based on the "Wizard of Oz" movie and was enhanced with numerous musical selections from the broadway hit "The Wiz," was a big hit from the very start. In fact, the show was so popular that the last three performances were sold out days in advance. But what had attracted the crowds? Many thought it was the performance of freshman Kim Gibilterra, who with only one shows experience in her first year at Alemany, had devastated the audiences with her tremendous amount of talent as "Dorothy." Others claimed it was due to the performance of Lew Godinho as the "scarecrow," Rob Gibilterra as the "tinman," and Pat Simmins as the "cowardly lion." Perhaps it was Julie Beal's portrayal of the "Wicked Witch of the West" and Maureen Sutherland's appearance as the "Good Witch of the North" that aroused the crowds, or Jonathon Elliott's over powering performance as the "Wizard of Oz." Most would probably agree that the show's tremendous success was the result of a cast that was extremely dedicated and sincere. This dedication was put to the test when Lew Godinho became ill at the last minute and Mark Rocha filled in for the scarecrow in the first three shows.

Without the people of Emerald City and Munchikinland, the play wouldn't have been quite so overwhelming. The same can be said for the inspiring performances of Patty Scheibel as "Aunt Em," Eric Scott as "Uncle Henry," Diane Aquino and Michelle Clark as the "visiting witches," and Matt DeCoster as "Tibia." For those who in April were looking over the rainbow for something new and exciting, Alemany's production of "The Wizard of Oz" was surely a dream come true.

Drama . . . Behind The Scenes

When sitting in Fr. Albert Hall watching a performance, we often take for granted the lights, the sound and even the props and costumes. Without these the show would only be a tough tech rehearsal. It takes many people working in many separate crews to add the effects. Most of the time we overlook these hardworking people who actually carry just as much responsibility as the actors themselves. Next time you are enjoying a performance don't take for granted those people behind the scenes who make the show successful.

Discussing the props for the Wizard of Oz are Diane Aquino, Lew Godinho, and Dave Fishette.

Handling the lighting for all our shows is Cathy Williams.

House manager Tim Reagan checks over the script as lighting crew member Laura Britton looks on.

Literary Impressions

Alemany taught me how to laugh,
Laughing taught me how to live,
Living taught me how to love,
Loving taught me how to see.
Together they taught me how
to be the best possible me.

Moving On

Four years are gone,
Yet I shall live on;
My heart is tired
My books are shut; yet
How shall I go?
Er the wind does blow;
My mind has retired,
It's time to grow up.

Vince Callier

To a friend
I'll buy you six spring flowers to put in your window.
I've come along way, to ask if you could let me stay.
I'll play my guitar and whistle a sweet tune.
But yet I must be gone by the time night turns to day.

All kinds of sadness, I have inside me
Cause many of the days I have longed
For a moment that we can hold forever and ever,
And a friendship that is as beautiful as a song.

Deep red are the sunsets in mystical beaches.
Black are the nights on summer day sands.
Yet the sun brings love to these places
So hold the first grain of love in our hands.

Marc Picard

"How I Love You"

How I love you, like the warm summer breeze,
When you slowly walk with me in the night, .
Talking, smiling, laughing, touching with ease,
Indeed, it was truly love at first sight.

Whenever I see your sweet, honest face,
Right then, I know we are right together,
For I want to be held in your embrace,
Knowing I will have times to remember.

Your hands so gentle and your thoughts so kind
Your smile so handsome and your eyes so true,
The thought of you is set deep in my mind,
I wonder how I ever deserve you.

If you say goodbye which means the end,
My broken heart will take ages to mend.

Mary Parven

Enthusiastically encouraging their team-mates are Erwin Murphy and Kirsten Smith.

As we neared the end of what was for some the last year, for others the first year, it became apparent to all that this wasn't just another year. This year really had class. It showedin activities, it showed in student leadership, it showed in academics, it showed in spirit, athletics, and most of all, it showed in the students for whom this book was put together. Here can be found moments some will cherish, some will laugh about, and others will sadly miss. The school spirit which proved itself powerful throughout the year now slowly saddens, and turns into just a memory, but oh, what a memory. This is the meaning the "Recuerdos" staff has tried to bring across in putting together as many of those memorable moments, for what is a recuerdo, but a memory? The 79-80 school year will never be forgotten in the hearts of those who made it what it was. For it was all of you who made this year as fun, meaningful, memorable, and as "Classy" as it was.

With us on staff for two whole years,
you've seen alot of fighting and tears.

How you've managed to not go crazy
our teacher, our friend, you're a special
lady.

You always had patience, understanding
and care, qualities, which, like a
diamond, are rare.

Good times and bad, we've been
through, part of our growing, we owe to
you.

Dear George,
I wish you the greatest luck in the world. I'm really sorry that we didn't continue to go out, but there's always now or someday, and maybe then we'd find something to do, so I won't get bored just kidding, I had a really great time let's do it again. I hope as the years go by, you will look back at this and remember me, Delia, for I always had a crush on you, but not once did you notice! Well that's the past, let's look on to the future! Well George,
All I can say is that I am sooo – glad that I've had a friend like you this year. I've had so much fun being with you this year. You are definitely one hell-of-a guy to be with. Well, I hope we can all go out some time in the future and I hope we always keep in touch. You know where I live so I better see you some time. Best of luck in the future. Good luck with the women. Love always, (363-0229)
Geri Belgrade

George,
So, how's life been treating you? You're such a nice guy. I wish you all the luck and happiness in the future, you deserve it. Have a great time in your future.
Love,
Rosemary Z.

George,
I wish you nothing but the best of luck whatever you do. Hope to see you in the coming years. Take care of yourself.
Love a friend always,
Rachel

George,
It looks like our school years are really flowing by. I've had a lot of fun these four years, and nothing beat us coming to school with you all. Please keep in touch and hope to see you around (363-5654)
Love a friend always,
Karen

George,
Well it's been great getting to know you and I'm really glad we've been friends these four years. Take it easy guy. Don't party too much and good luck always.
Love ya pal,
Geri
